to California 2000 Robert Remy Boudesseul, 2009-07-07 L'idée de écrire sa biographie pour en faire un livre vient de soi-même bien sûr il est difficile de parler d'un sujet sans le connaître ou sans l'avoir vécu Depuis dix-huit ans de mon existence je suis une personne qui apprécie les cultures diverses Il faut voyager pour mieux connaître les belles choses de notre vie respecter les idées et les couleurs de notre planète J'ai passé trente-six ans en France participé aux événements de la seconde guerre mondiale partagé les motions de notre libération en Normandie le 6 Juin 1944 et fait mon service militaire en Algérie et en Allemagne Mes quinze ans passés la Compagnie Générale Transatlantique sur sept navires différents bord

desquels nous avons pu voir et servir des clients internationales des Présidents et Chefs de gouvernements et sans oublier les nombreuses escales que faisait chaque paquebot. For the seventy two years of my existence I have been a person who appreciates various cultures. It is necessary to travel in order to truly know the beautiful things in life to respect the ideas and the colors of our planet. I spent thirty six years in France. I took part in the Second World War. I shared in the emotion of the liberation at Normandy on June 6 1944 and I completed military service in Algeria and Germany. I passed fifteen years at the General Transatlantic Company on seven different ships on board of which I saw and served international celebrities presidents and chiefs of government. I have explored many ports during the stopovers that the liners made. When I was thirty six years old I traveled across the United States of America touring from North to South from East to West by car. I finished this marvelous voyage in California and I passed through San Francisco Carmel and Santa Barbara. In Carmel and Santa Barbara I became the happy owner of two different restaurants. I will honor these unforgettable memories for the rest of my life.
