

NORNA, OR THE WITCH'S CURSE

BY LOUISA MAY ALCOTT & ANNA ALCOTT

Coming Soon! A new annotated edition published by Juvenilia Press

Edited by Juliet McMaster and others

Fifteen-year-old Louisa May Alcott considered *Norna, or the Witch's Curse* to be "her masterpiece." Penned by Louisa with her sister Anna and performed in a "garret or barn" at Hillside, the play features the melodramatic villain Rodolpho and the mysterious witch Norna. It is the real version of the fictional play described in *Little Women*.

The editors' emphasis is on the teenagers' performance of a drama including exciting action with sword-fights and ghosts, complex settings of castles and a witch's cave, and costumes designed and sewn by "Amy" and "Beth." It is a salient example of youthful creativity in action.

The book also includes historical images of how Louisa and Anna looked when they were young, the famed Hillside, and the trunk of props used by the sisters in their performances.

novels A fully self conscious artist young Jane experimented freely with literary modes the epistolary the omniscient the drama Early on she developed brilliantly pointed dialogue to match her characters Literary parody impels her creativity and McMaster s sustained study of Love and Friendship shows the same intricate relation of the parody to the work it parodies that we later see with Northanger Abbey and the Gothic novel As an illustrator herself McMaster is especially attuned to the explicit and sometimes hilarious descriptions of bodies that preceded Austen s famous reticence about physicality Rather than focusing on the immaturities of the juvenilia McMaster maps the gradual shifts in tone and emphasis that signpost Austen s journey as a writer She shows for instance how the shameless husband hunting in The Three Sisters and the vigorous partisanship of The History of England lead on to Pride and Prejudice Her book will appeal to Austen s critics and to passionate general readers as well as to scholars working in the fields of juvenilia children s literature and childhood studies
