Norse Sagas Translated Into English Donald K. Fry,1980

Old Norse-Icelandic Literature Carol J. Clover,John Lindow,2019-06-30 The current revival of interest in the rich and varied literature of early Scandinavia has prompted a corresponding interest in its background its origins social and historical context and relationship to other medieval literatures Even readers with a knowledge of Old Norse and Icelandic have found these subjects difficult to pursue however for up to date reference works in any language are few and none exist in English To fill the gap six distinguished scholars have contributed ambitious new essays to this volume The contributors summarize and comment on scholarly work in the major branches of the field Eddic and skaldic poetry family and kings sagas courtly writing and mythology Taken together their judicious and attractively written essays each with a full bibliography make up the first book length survey of Old Norse literature in English and a basic reference work that will stimulate research in these areas and help to open up the field to a wider academic readership

Old Norse-Icelandic Literature

Medieval Academy of America,2005-01-01 In the past few decades interest in the rich and varied literature of early Scandinavia has prompted a corresponding interest in its background its origins social and historical context and relationship to other medieval literatures Until the 1980s however there was a distinct lack of scholarship in English that synthesized the critical trends and thinking in the field so in 1985 Carol J Clover and John Lindow brought together several of the most distinguished Old Norse scholars to contribute essays for a collection that would finally provide a comprehensive guide to the major genres of Old Norse Icelandic literature The contributors summarize and comment on scholarly work in the major branches of the field eddic and skaldic poetry family and kings sagas courtly writing and mythology Their essays each with a full bibliography make up this vital survey of Old Norse literature in English a basic reference work that has stimulated much research and helped to open up the field to a wider academic readership This volume has become an essential text for instructors and now twenty years after its first appearance it is being republished as part of the Medieval Academy Reprints for Teaching MART series with a new preface that discusses more recent contributions to the field

Routledge Revivals:

Medieval Scandinavia (1993) Phillip Pulsiano,Kirsten Wolf,2017-07-05 First published in 1993 Medieval Scandinavia An Encyclopedia covers every aspect of the region during the Middle Ages including rulers and saints overviews of the countries religion education politics and law culture and material life history literature and art Written by a team of expert contributors the encyclopedia offers those who lack command of the various Scandinavian languages a basic tool for the study of Medieval Scandinavia from roughly the Migration Period to the Reformation With full page maps useful supplementary photos cross references and a comprehensive index this work will be a valuable and absorbing volume for students of the Norse sagas the Viking age and Old English history and literature and for anyone interested in the cultural and historical heritage of Scandinavia

Encyclopedia of Literary Translation Into English: A-L O. Classe,2000

Historical Dictionary of the

Vikings Katherine Holman,2003-09-29 The Historical Dictionary of the Vikings traces Viking activity in Europe North America and Asia for over three centuries During this period people from Scandinavia used their longships to launch lightning raids upon their European neighbors to colonize new lands in the east and west and to exchange Scandinavian furs for eastern wine and spices and Arab silver The Viking age also saw significant changes at home in Scandinavia kings extended their power Norse paganism lost ground to christianity and new towns and ports thrived as a result of increased contact with the wider world This book provides a comprehensive work of reference for people interested in the Vikings including entries on the main historical figures involved in this dramatic period important battles and treaties significant archaeological finds and key works and sources of information on the period It also summarizes the impact the Vikings had on the areas where they traveled and settled There is a chronological table detailed and annotated bibliographies for different themes and geographical locations and an introduction discussing the major events and developments of the Viking age **The A to Z**

of Iceland Gudmundur Halfdanarson,2010-05-10 While Iceland is the second largest inhabited island in Europe with only 313 000 inhabitants in 2007 the Icelanders form one of the smallest independent nations in the world Around two thirds of the population lives in the capital Reykjav k and its suburbs while the rest is spread around the inhabitable area of the country Until fairly recently the Icelandic nation was unusually homogeneous both in cultural and religious terms in 1981 around 98 percent of the nation was born in Iceland and 96 percent belonged to the Lutheran state church or other Lutheran religious sects In 2007 these numbers were down to 89 and 86 percent respectively reflecting the rapidly growing multicultural nature of Icelandic society The A to Z of Iceland traces Iceland s history and provides a compass for the direction the country is heading This is done through its chronology introductory essays appendixes map bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects **The Routledge Companion to William Morris** Florence S. Boos,2020-10-29

William Morris 1834-96 was an English poet decorative artist translator romance writer book designer preservationist socialist theorist and political activist whose admirers have been drawn to the sheer intensity of his artistic endeavors and efforts to live up to radical ideals of social justice This Companion draws together historical and critical responses to the impressive range of Morris s multi faceted life and activities his homes travels family business practices decorative artwork poetry fantasy romances translations political activism eco socialism and book collecting and design Each chapter provides valuable historical and literary background information reviews relevant opinions on its subject from the late nineteenth century to the present and offers new approaches to important aspects of its topic Morris s eclectic methodology and the perennial relevance of his insights and practice make this an essential handbook for those interested in art history poetry translation literature book design environmentalism political activism and Victorian and utopian studies **The to Z of the Vikings** Katherine Holman,2009-07-29 This book provides a comprehensive work of reference for people interested in the

Vikings including entries on the main historical figures involved in this dramatic period important battles and treaties significant archaeological finds and key works and sources of informat

Historical Dictionary of Iceland Sverrir Jakobsson, Gudmundur Halfdanarson, 2016-02-15 Iceland demonstrates most of the characteristics of a modern liberal democracy It has maintained political stability through a democratic process which enjoys universal legitimacy Rapid economic modernization has also secured its inhabitants one of the highest living standards in the world and a comprehensive and highly developed health system has ensured them longevity and one of the lowest rates of infant mortality in the world Icelanders face however formidable challenges in maintaining their status as an independent nation First the Icelandic economy is fairly fragile as overexploitation threatens the fish stocks that remain among Iceland's principal economic resources Second the country is rich in unused energy resources because many of its rivers are still not harnessed and geothermal power is abundant But using these resources will necessarily damage the pristine nature of the country forcing the politicians and the Icelandic public to choose between environmental protection and industrial expansion Finally it remains to be seen if a country with just over 329 740 inhabitants will be able to manage its foreign relations in a complex and constantly changing world This third edition of Historical Dictionary of Iceland contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Iceland

Translating the Sagas John Kennedy, 2007 Making the Middle Ages Making the Middle Ages is series of monographs and occasionally of collections which aims to open up the rapidly growing and relatively newly recognised field of medievalism the post medieval construction of the Middle Ages in scholarship and the arts to a readership of academics graduate students and in the case of some volumes undergraduates or the general reader The series is devoted to scholarship in the cultural influence of the Middle Ages on England mainland Europe and North America from the sixteenth century to the present day It focuses on two perspectives of medievalism i Mediavistik the origins and history of medieval studies both inside and outside the academy and ii Mediavismus the creation and recreation of the Middle Ages in post medieval art history literature and popular culture Few speakers of English have ever been able to read the Icelandic sagas in the original language and published saga translations have played a major role in shaping attitudes towards Viking Age Scandinavia and the great literary achievements of medieval Iceland in the English speaking world This book is the first publication to provide an extended examination of the history and development of Icelandic saga translations into English from their beginnings in the eighteenth century to today It explores reasons for undertaking saga translation and the challenges confronting translators Chapters are devoted to the pioneering saga translations the later Victorian and Edwardian eras the often neglected period of the two World Wars and their aftermath and the upsurge of saga translation in the second half of the twentieth century The contributions of individual translators and

teams are reviewed from James Johnstone in the 1780s through major Victorians such as Samuel Laing George Webbe Dasent and William Morris distinguished twentieth century figures such as Lee M Hollander Gwyn Jones Magnus Magnusson and Hermann Palsson and George Johnston and the great co operative project which produced The Complete Sagas of Icelanders at the century s end The book concludes with saga translation facing interesting new possibilities and challenges not least those generated by information technology Book jacket

Women in Old Norse Society Jenny Jochens,2014-12-02 Jenny Jochens captures in fascinating detail the lives of women in pagan and early Christian Iceland and Norway their work sexual behavior marriage customs reproductive practices familial relations leisure activities religious practices and legal constraints and protections Much of this information also applies to everyday life in the entire Germanic world Conveying the experiences not only of aristocrats but also of ordinary farmers the author draws from her extensive knowledge of the oldest and fullest record of the Germanic tribes Women in Old Norse Society places particular emphasis on changing sexual mores and the impact of the imposition of Christianity by the clergy and the Norwegian kings It also demonstrates the vital role women played in economic production homespun was used for every conceivable domestic purpose the lengths of cloth became the standard of measurement for local commercial exchange and were used to obtain commodities abroad Jochens s masterly command of the Old Norse narratives and legal texts enables her to provide a rich social history that includes the fullest analysis to date of pagan and Christian marriage and the first comprehensive study of infanticide in the North

Sage-book of the Viking Club Viking Society for Northern Research,1993 List of members in v 3 5

A Reference Guide for English Studies Michael J. Marcuse,2023-11-15

Sex in the Middle Ages Joyce E. Salisbury,2019-01-17 Originally published in 1991 Covering courtship disclosure diversity and public implications the essays here discuss topics such as erotic magic nakedness physicians attitudes about sex boy love saints and sex and the politics of sodomy as they were manifested in medieval Europe and the Middle East

Bibliography of Old Norse-Icelandic Romances ,1985 This book records thirteenth century Old Norse versions of French chansons de geste lais and romances and indigenous fourteenth century Icelandic romances inspired by the foreign models The bibliography lists all known manuscripts both medieval and modern of the riddarasögur all editions whole and partial of these sagas and all books as well as selected reviews and articles that have been published pertaining to them

The Legends of the Saints in Old Norse-Icelandic Prose Kirsten Wolf,2013-10-30 Saints legends form a substantial portion of Old Norse Icelandic literature and can be found in more than four hundred manuscripts or fragments of manuscripts dating from shortly before the twelfth century to the 1700s With The Legends of the Saints in Old Norse Icelandic Prose Kirsten Wolf has undertaken a complete revision of the fifty year old handlist The Lives of the Saints in Old Norse Prose This updated handlist organizes saints names manuscripts and editions of individual lives with references to the approximate dates of the manuscripts as well as modern Icelandic editions and translations Each entry concludes with secondary literature about the legend in question These

features combine to make *The Legends of the Saints in Old Norse Icelandic Prose* an invaluable resource for scholars and students in the field **The Arthur of the North** Marianne E. Kalinke, 2015-11-20 The book is a comprehensive survey of medieval and early modern Arthurian literature in the Scandinavian countries The book analyses the transmission of a foreign courtly literature in the non courtly culture of Iceland The book surveys the acculturation of foreign narrative and style to indigenous literary forms in the North **Old Norse Myths, Literature and Society** Geraldine Barnes, Margaret Clunies Ross, 2000

Norse Sagas Translated Into English A Bibliography Introduction

In the digital age, access to information has become easier than ever before. The ability to download Norse Sagas Translated Into English A Bibliography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Norse Sagas Translated Into English A Bibliography has opened up a world of possibilities. Downloading Norse Sagas Translated Into English A Bibliography provides numerous advantages over physical copies of books and documents.

Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Norse Sagas Translated Into English A Bibliography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Norse Sagas Translated Into English A Bibliography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Norse Sagas Translated Into English A Bibliography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Norse Sagas Translated Into English A Bibliography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Norse Sagas Translated Into English A Bibliography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
