Numa Numa Pillion, 1983-07-01 Jesus Deus M. David Litwa, 2014 What does it mean for Jesus to be deified in early Christian literature Early Christians did not simply assert Jesus divinity in their literature they depicted Jesus with the specific and widely recognized traits of Mediterranean deities Relying on the methods of the history of religions and ranging judiciously across Hellenistic literature M David Litwa shows that at each stage in their depiction of Jesus life and ministry early Christian writings from the beginning relied on categories drawn not from Judaism alone but on a wide pan Mediterranean understanding of deity **Routledge Revivals: Homosexuality: A Research Guide (1987)** Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology **Omnibus I** Douglas Wilson, G. Summertime Reading List 180 Books You Need to Read Vol I is a sweeping anthology that brings together a remarkable collection of literary giants from various epochs and styles presenting a testament to the diversity and richness of global literature. The collection captures the essence of human experience from the imaginative voyages of Jules Verne and the whimsical journeys of Lewis Carroll to the psychological depths of Sigmund Freud and the profound social commentaries of Charles Dickens. Each piece carefully selected for its enduring impact and literary merit offers a unique window into the human condition making this anthology an indispensable resource for understanding the evolution of narrative art through poetic, philosophical and dramatic forms. The contributing authors represent some of the most influential voices across the centuries: writers who have shaped literary movements and cultural dialogues worldwide. From the existential explorations of Dostoevsky and the pioneering works of Jane Austen to the transcendental reflections of Thoreau and the revolutionary poetics of Walt Whitman, this anthology captures a vast range of perspectives. Under the curatorial eye of the editors, these works converge to reflect on societal norms, philosophical inquiries and the endless complexities of life, inviting readers to engage with each piece not just as literature but as cultural artefacts offering insights into their respective historical contexts. This expansive volume offers readers not only a chance to immerse themselves in the masterful storytelling of history's literary titans but also provides an educational journey through multiple literary landscapes and ideologies. Summertime Reading List 180 Books You Need to Read serves as both a passport to explore diverse literary traditions and a catalyst for intellectual discussion, making it a perfect companion for scholars, students and lovers of literature alike. It compels readers to discover the unending dialogue among these distinguished voices, each contributing to a broader understanding of humanity's narrative tapestry.
