Haugabook,2013-03-05 I am still the girl from the neighborhood of people who kept the candle of hope burning brightly inside their hearts and through love and patience passed that light on to all of us youths Elders refused to allow forced segregation to be the determinant for the quality of their life experiences because they knew the true Supplier of all riches Holding their memories close within me I joyfully resolve to continue to have pride in my ancestry and allow my life and art to reflect their Wisdom Now the mature virtuous woman of John Miles and Estella I appreciate the patience and Wisdom shared by so many during the days of small steps I am Nsaa a living breathing bursting with love genuine woman who understands and appreciates the rich earthen soil of experience that has expanded my heart and authenticated my character I daily adorn my psyche with my own self made garment of silk and purplea garment that holds me fast to my spirituality and maintains my uniqueness and originality My attainment of the ideal is to completely mesh with that virtuous woman prole expressed so expertly by King Lemuel's mom and lived so joyfully by my Estella I am forever indebted to wise King Solomon for introducing me to so much Wisdom as well as my beloved John Miles Estella and a host of others who have helped make Wisdom my friend With a heart of true gratitude I stand proud and content that Wisdom is guiding me to become that awless brightly shining ruby that mirrors the heart of my Creator A ruby that forever radiates forth its true translucence no matter what unknown situation life may send my way **Building Bridges of Time, Places and People** J. Marc. Merrill,2012-05

Mysteries associated with ancient Egypt are not confined to the pyramids of Giza For example consider these One Egyptian hieroglyph is patterned after a bird known as the jabiru another is an image of a saguaro cactus Both the jabiru and the saguaro are found only in the Western Hemisphere so how did they become hieroglyphs Tutankhamen is referred to as the boy king by Egyptologists Why then were statues found in the tomb portraits of a young woman Hatshepsut is said to have been a female pharaoh who reigned for 22 years but then disappeared from the scene What happened to her And why was her image expunged from the walls of temples Senenmut a favorite of Hatshepsut wrote that he had access to all the writings of the prophets Which prophets did he mean Why does the face of the mummy of Ramesses II not match the statues of this great pharaoh Also why did the embalmers remove the stomach and place the heart on the right side of the thorax And why were dried tobacco leaves from the Western Hemisphere used to line the chest cavity Why was Yuya supposedly the father of the great Queen Tiye buried with three coffins while his wife had only two Moreover why did the mask that covered his face

along with the face on the innermost coffin look totally different from the mummy and from each other Death masks were found not just in Egypt but in Greece as well The most famous of these came from grave 5 at Mycenae Each eye of this gold mask has double eyelids In addition like the Sphinx at Giza and the Shroud of Turin the left eye is higher than the right and the mouth is not centered How can such similarities be explained Turning to Italy on the underside of the right wrist of the Prima Porta statue of Augustus there is the distinct impression of the head of a spike According to historians this statue depicts the first emperor of Rome but what if it is instead a portrait of a man who was crucified These mysteries along with many others are examined in detail and then convincingly explained in this first of two volumes to explore crucial links between Egypt Israel Greece and Italy
