Prophets for Our Time Jarl K. Waggoner,2009-10-01 The books of Obadiah and Jonah can be read in just ten minutes Yet these two books written nearly three thousand years ago by two very different Hebrew prophets address attitudes and actions that we struggle with even today The valuable lessons the ancient writers have for people of the twenty first century truly make them prophets for our time Prophets for Our Time strikes a balance between scholarly study and practical exposition to bring these two prophetic books alive for modern readers The result is a practical readable book that clearly explains the meaning of the biblical text Maps charts and suggestions for personal application and further study enhance the

value of the book making it a very useful tool for personal and group study **The Pentateuch** James E Smith, 2006-08
