Monthly Catalog of United States Government Publications ,1993 *Monthly Catalogue, United States Public Documents* ,1989 *Congressional Record* United States. Congress,2003 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Books in Print Supplement** ,2002 **Medicaid Politics and Policy** David G. Smith,2017-09-08 The story of Medicaid comes alive for readers in this strong narrative including detailed accounts of important policy changes and extensive use of interviews A central theme of the book is that Medicaid is a weak entitlement one less established or effectively defended than Medicare or Social Security but more secure than welfare or food stamps In their analysis the authors argue that the future of Medicaid is sound It has the flexibility to be adapted by states as well as to allow for policy innovation At the same time the program lacks an effective mechanism for overall reform They note Medicaid has become a source of perennial political controversy as it has grown to become the largest health insurance system in the country The book s dual emphasis on politics and policy is important in making the arcane Medicaid program accessible to readersand in distinguishing policy grounded in analysis from partisan ideology This second edition features a new preface three new chapters accounting for the changes to the Affordable Care Act and an updated glossary **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents,1984 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index **Resources in Education** ,1988
