Presence Of Walt Whitman Selected Papers

Mary Barnard

Presence Of Walt Whitman Selected Papers:

The Presence of Walt Whitman English Institute,1962 The aim of these essays is to offer an appraisal of Whitman s poetry and his place in modern letters From book jacket *The Presence of Walt Whitman* Richard Warrington Baldwin Lewis,1962

The Presence of Walt Whitman R.W.B. Lewis,1962 Offers an appraisal of Walt Whitman s poetry and of his place in modern letters Also tests his different perspectives and reflects on successive phases of his career *Critical Companion to Walt Whitman* Charles M. Oliver,2005 Presents a complete reference to the life and works of Walt Whitman *The Presence of Walt Whitman, Selected Papers from the English Institute - Gebrauchtes Buch* R. W. B. Lewis, **Study Guide to The**

Leaves of Grass by Walt Whitman Intelligent Education,2020-09-26 A comprehensive study guide offering in depth explanation essay and test prep for Whitman s Leaves of Grass a novel of poems that has become a classic and inspired much of American history and popular culture As a poetry collection of the late 1800s Whitman explores new ideals concerning the body spirituality and nationalism Moreover Leaves of Grass has been deemed one of the most important collections of poems in America This Bright Notes Study Guide explores the context and history of Walt Whitman s classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research **Ezra Pound Among the Poets** George Bornstein,1988-10-03 Be influenced by as many great writers as you can said Ezra Pound Pound was an assimilative poet par excellence as George Bornstein calls him a writer who more often adhered to a classical conception of influence as benign and strengthening than to an anxiety model of influence To study Pound means to study also his precursors Homer Ovid Li Po Dante Whitman Browning as well as his contemporaries Yeats Williams and Eliot These poets discussed here by ten distinguished critics stimulated Pound s most important poetic encounters with the literature of Greece Rome China Tuscany England and the United States Fully half of these essays draw on previously unpublished manuscripts

The Routledge Encyclopedia of Walt Whitman J.R. LeMaster,Donald Kummings,2013-09-05 The Routledge Encyclopedia of Walt Whitman presents a comprehensive resource compiled by over 200 internationally recognized contributors including such leading Whitman scholars as James E Miller Jr Roger Asselineau Betsy Erkkila and Joel Myerson Now available for the first time in paperback this volume comprises more than 750 entries arranged in convenient alphabetical format Coverage includes biographical information all names dates places and events important to understanding Whitman s life and career Whitman s works essays on all eight editions of Leaves of Grass major poems and poem clusters principal essays and prose works as well as his more than two dozen short stories and the novel Franklin

Evans prominent themes and concepts essays on such major topics as democracy slavery the Civil War immortality sexuality and the women s rights movement significant forms and techniques such as prosody symbolism free verse and humour important trends and critical approaches in Whitman studies including new historicist and cultural criticism psychological explorations and controversial issues of sexual identity surveys of Whitman s international impact as well as an assessment of his literary legacy Useful for students researchers librarians teachers and Whitman devotees this volume features extensive cross references numerous photographs of the poet a chronology a special appendix section tracking the poet s genealogy and a thorough index Each entry includes a bibliography for further study *General Catalogue of Printed Books* British Museum. Department of Printed Books, 1969 Walt Whitman, Philosopher Poet John W.

McDonald, 2007-03-06 Was Walt Whitman celebrated poet of freedom and democracy a determinist at heart A close study of *Leaves of Grass* shows that Whitman consistently acknowledges the inevitability of all things As John McDonald argues this seeming contradiction lies at the heart of Whitman s poetry a fact continually overlooked in the more than 100 years that critics have written about the poet and his magnum opus This volume contains an extensive study of Walt Whitman s poetry that explores both Whitman s guiding philosophy and its uses to unlock meaning within *Leaves of Grass* Beginning with a detailed explanation of determinism the author examines Whitman s use of indirection which the poet referred to at times as a game played to evade the reader s comprehension The work seeks to define a philosophy which was in the author s opinion the most significant influence in Whitman s thought and in his art Various poems are examined in depth including *Song of Myself* *Passage to India* and the particularly significant *With Antecedents Gathered here* will be evidence from Whitman s poems and prose and from his notes and quoted remarks enough evidence to show beyond doubt that determinism was indeed his most significant influence An innovative look at one of America s greatest poets **American Literature in**

Transition, 1820-1860: Volume 2 Justine S. Murison, 2022-06-23 The essays in *American Literature in Transition 1820-1860* offer a new approach to the antebellum era one that frames the age not merely as the precursor to the Civil War but as indispensable for understanding present crises around such issues as race imperialism climate change and the role of literature in American society The essays make visible and usable the period s fecund imagined futures futures that certainly included disunion but not only disunion Tracing the historical contexts literary forms and formats global coordinates and present reverberations of antebellum literature and culture the essays in this volume build on existing scholarship while indicating exciting new avenues for research and teaching Taken together the essays in this volume make this era s literature relevant for a new generation of students and scholars **Poetic Prophecy in Western Literature** Jan

Wojcik, Raymond-Jean Frontain, 1984 In this collection of twelve essays the editors attempt to define the poet as prophet in Western literature and to select the general attributes of prophetic writing The essays focus in the main on the prophetic tradition in the English speaking world as well as on a sufficient number of writers outside that tradition to prove that all

prophetic writing shares common features **Walt Whitman Quarterly Review** ,1984 **Mary Barnard** Mary Barnard,2025-06-01 The most comprehensive collection of writing by award winning US poet renowned translator of Sappho and trailblazing archivist Mary Barnard Born in the Pacific Northwest Mary Barnard 1909 2001 struck up correspondence with Ezra Pound in 1933 won Poetry magazine s prestigious Levinson Award in 1935 and moved to New York City the following year There she met Marianne Moore and William Carlos Williams who proclaimed her writing emblematic of what we have been about all these years This fully annotated volume makes available Barnard s complete poems for the first time along with a robust selection of her translations and prose Most well known for her bestselling Sappho and her influential role as the inaugural poetry curator at the University at Buffalo Barnard was a second wave modernist and late Imagist whose regionally grounded writing also anticipated later eco poetry The volume s editor Barnard scholar and biographer Sarah Barnsley situates Barnard s work within these broader literary and cultural currents Previously unpublished poems appear alongside Barnard s essays on her creative practice and friendships illuminating the career oeuvre and ethos of this pivotal yet still underappreciated twentieth century figure With a foreword by Mary de Rachewiltz author of Ezra Pound Father and Teacher and afterword by Barnard s literary executor Elizabeth J Bell Mary Barnard is essential reading for poets scholars and translators Walt Whitman Review ,1979 *Critic as Scientist* Ian F. A. Bell,2023-08-11 First published in 1981 *Critic as Scientist* provides a detailed and scholarly account both of the scientific background and of contemporary artistic issues in its analysis of Ezra Pound s poetics During the crucial period of his years in London Ezra Pound was striving to formulate not only a new system of poetics but also a new language through which he could both define the critic s procedure and announce his modernity It was in science that Pound discovered the vocabulary that became his most characteristic gesture during the literary crises of the time The use of scientific terminology in his propaganda for a new renaissance belonged initially to specifically American modes of aesthetic tradition as typified by Whistler and aspects of New England transcendentalism A consideration of popular versions of physics and biology and of the scientific attitude displayed by such contemporaries as Fenollosa Hulme Ford and Eliot reveals that the major terms and practices of Pound s critical vocabulary were located in the issues of nineteenth and early twentieth century science The author has sought to demystify key words in the Poundian vocabulary and has suggested a wider literary and cultural context for the study of Pound s aesthetic theory This book will be of interest to students of literature **The Publishers' Trade List Annual** ,1992

Walt Whitman's Selected Journalism Walt Whitman,2015-05-01 Long before he was a celebrated poet Walt Whitman was a working journalist By the time he published the first edition of *Leaves of Grass* in 1855 Whitman had edited three newspapers and published thousands of reviews editorials and human interest stories in newspapers in and around New York City Yet for decades much of his journalism has been difficult to access or even find For the first time Walt Whitman s *Selected Journalism* thematically and chronologically organizes a compelling selection of Whitman s journalism from the late

1830s to the Civil War It includes writings from the poet s first immersion into the burgeoning democratic culture of antebellum America to the war that transformed both the poet and the nation Walt Whitman s Selected Journalism covers Whitman s early years as a part time editorialist and ambivalent schoolteacher between 1838 and 1841 After 1841 it follows his work as a dedicated full time newspaperman and editor most prominently at the New York Aurora and the Brooklyn Daily Eagle between 1842 and 1848 After 1848 and up to the Civil War Whitman s journalism shows his slow transformation from daily newspaper editor to poet This volume gathers journalism from throughout these early years in his career focusing on reporting reviews and editorials on politics and democratic culture the arts and the social debates of his day It also includes some of Whitman s best early reportage in the form of the short personal pieces he wrote that aimed to give his readers a sense of immediacy of experience as he guided them through various aspects of daily life in America s largest metropolis Over time journalism s limitations pushed Whitman to seek another medium to capture and describe the world and the experience of America with words In this light today s readers of Whitman are doubly indebted to his career in journalism In presenting Whitman the journalist in his own words here and with useful context and annotations by renowned scholars Walt Whitman s Selected Journalism illuminates for readers the future poet s earliest attempts to speak on behalf of and to the entire American republic *British Books* ,1907 **Walt Whitman** J. R. LeMaster,Donald D. Kummings,1998 Includes almost 760 entries ranging in length from 3 100 words on the first 1855 edition of Leaves of Grass to 140 words on Elizabeth Leavitt Keller Entries include biographical data thematic formal and technical considerations discussions of the poet s social and personal life and commentary on all of Whitman s works including poem clusters major poems essays and lesser known works such as the novel Franklin Evans and two dozen short stories A chronology and genealogy are included Annotation copyrighted by Book News Inc Portland OR
