Didn't Become Great Again Robert Chernomas, Ian Hudson, 2025-04-22 Examining the conditions that not only blocked attempts to make America great again but also actively made the country worse Why America Didn't Become Great Again identifies those organizations institutions politicians and prominent characters in the forefront of the economic and social policies ultimately asking who is responsible The period from the late 1970s to 2020s became the best of times for America's corporate class As profits grew along with the wealth and income that they delivered for their stockholders and management their goal was to set new rules for the rest of us to live by with a clear class agenda Institutions have been organized government policies reoriented and economists journalists and politicians recruited funded and promoted And so it has not

been the best of times for working families as inequality stagnant wages debt and ever longer working hours became their fate This book critically analyzes those who very deliberately set out to implement policies enacted at the state and federal level in order to redistribute wealth and income upwards and change the balance of power in the United States in response to the class gender and racial challenges that resulted in compressed income and wealth differentials before the 1980s An essential book on contemporary inequality in America Why America Didn't Become Great Again surveys the past near half century that resulted in American economic instability and inequality environmental crisis a crumbling physical and harmful social infrastructure among the very worst health outcomes child poverty food insecurity and social mobility of the industrialized countries culminating in a Trump regime and the road to further ruin [The Great American History Fact-finder](#) Pam Cornelison, Ted Yanak, 2004 Over 2 000 entries covering the who what where when and why of U S history Thumbnail **Confirmation Hearings on the Nominations of Thomas Perrelli, Nominee to be Associate Attorney General of the United States and Elena Kagan, Nominee to be Solicitor General of the United States** United States.
