Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is
imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and
application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that
the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not
necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching
Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the
Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the
inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the
preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use
sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead
learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical
Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the
sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his
own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary
However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy
Spirit is focus in the book **Chamber's household edition of the dramatic works of William Shakespeare, ed. by R.**
Carruthers and W. Chambers William Shakespeare,1862
