Radical Passion Otilie Assings Reports From America And Letters To Frederick Douglass:

Radical Passion Otilie Assing, 1999 *Radical Passion* examines eighty essays and reports on the United States 1852-1865 by the German American journalist Otilie Assing 1819-1884 along with twenty seven extant letters from Assing to Frederick Douglass during the years 1870-1879 A keen and critical observer of the American scene before and during the Civil War Assing was passionately committed to her personal freedom and to political and social equality for African Americans She believed in radical social movements backed the German Revolution of 1848 and became an enthusiastic supporter of radical abolitionism women's emancipation and civil rights for black Americans For almost three decades she and Frederick Douglass were close intellectual collaborators and lovers The reports and essays originally written in German are presented in their first English translation an introduction provides biographical background and historical context **Women in the World of Frederick Douglass** Leigh Fought, 2017 A biographical study of famed abolitionist Frederick Douglass through his relationships with the women in his life that reveals the man from both a political public and private perspective *The German-American Encounter* Frank Trommler, Elliott Shore, 2001 While Germans the largest immigration group in the United States contributed to the shaping of American society and left their mark on many areas from religion and education to food farming political and intellectual life Americans have been instrumental in shaping German democracy after World War II Both sides can claim to be part of each other's history and yet the question arises whether this claim indicates more than a historical interlude in the forming of the Atlantic civilization In this volume some of the leading historians social scientists and literary scholars from both sides of the Atlantic have come together to investigate for the first time in a broad interdisciplinary collaboration the nexus of these interactions in view of current and future challenges to German American relations *Encyclopedia of Emancipation and Abolition in the Transatlantic World* Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A-Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery **The Cambridge**

Abolitionist Cosmopolitanism: Reconfiguring Gender, Race, and Nation in American Antislavery Literature Pia Wiegink, 2022-09-19 Abolitionist Cosmopolitanism redefines the potential of American antislavery literature as a cultural and political imaginary by situating antislavery literature in specific transnational contexts and highlighting the role of women as producers subjects and audiences of antislavery literature Pia Wiegink draws attention to locales authors and webs of entanglement between texts ideas and people Perceived through the lens of gender and transnationalism American antislavery literature emerges as a body of writing that presents profoundly reconfigured literary imaginations of freedom and equality in the United States prior to the Civil War *The Rabbi's Atheist Daughter*

Bonnie S. Anderson, 2017 The first modern biography of one of the nineteenth century's most prominent radical activists written by an acclaimed senior feminist historian

The Communist and the Revolutionary Liberal in the Second American Revolution August H. Nimtz, Kyle A. Edwards, 2024-08-05 Nimtz's and Edwards's real time comparative political analysis offers a unique look at two historically consequential figures with two very different theoretical and political perspectives both of whom expertly examined the most contentious issue of the nineteenth century By juxtaposing the political thought and activism of Karl Marx and Frederick Douglass Nimtz and Edwards are able to make insightful observations and conclusions about race and class in America The Communist and the Revolutionary Liberal reveals how two still competing political perspectives liberalism and Marxism performed when the biggest breakthrough for the millennial old democratic quest after the French Revolution occurred the abolition of chattel slavery in the United States In so doing it presents potential lessons for today Listen to the podcast about this title on New Books Network [German Women Writers and the Spatial Turn: New Perspectives](#)

Carola Daffner, Beth A. Muellner, 2015-07-01 In the last few decades the phrase spatial turn has received increased attention in German Studies inspired by developments within the discipline of geography The volume German Women Writers and the Spatial Turn New Perspectives engages the analytical category of space and the spatial turn in the context of German women's writing The collection of essays divides its discussion of spatiality in German literature into sections that reflect privileged sites within the current scholarly debates around space Essays look to such issues as environmentalism globalization migration and immigration concerns of belonging points of encounter spaces and places of im mobility topographies of departure and arrival movement motion or shifting identities German Women Writers and the Spatial Turn New Perspectives continues the challenge to understand the representation of space and place in German language texts by focusing on how spatial theory figures into the realm of feminist thinking and writing

Giants John Stauffer, 2008-11-03 Frederick Douglass and Abraham Lincoln were the preeminent self made men of their time In this masterful dual biography award winning Harvard University scholar John Stauffer describes the transformations in the lives of these two giants during a major shift in cultural history when men rejected the status quo and embraced new ideals of

personal liberty As Douglass and Lincoln reinvented themselves and ultimately became friends they transformed America Lincoln was born dirt poor had less than one year of formal schooling and became the nation s greatest president Douglass spent the first twenty years of his life as a slave had no formal schooling in fact his masters forbade him to read or write and became one of the nation s greatest writers and activists as well as a spellbinding orator and messenger of audacious hope the pioneer who blazed the path traveled by future African American leaders At a time when most whites would not let a black man cross their threshold Lincoln invited Douglass into the White House Lincoln recognized that he needed Douglass to help him destroy the Confederacy and preserve the Union Douglass realized that Lincoln s shrewd sense of public opinion would serve his own goal of freeing the nation s blacks Their relationship shifted in response to the country s debate over slavery abolition and emancipation Both were ambitious men They had great faith in the moral and technological progress of their nation And they were not always consistent in their views John Stauffer describes their personal and political struggles with a keen understanding of the dilemmas Douglass and Lincoln confronted and the social context in which they occurred What emerges is a brilliant portrait of how two of America s greatest leaders lived
