Radical Right In Western Europe A Comparative Analysis

Christopher Husbands

Radical Right In Western Europe A Comparative Analysis:

The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries

The extreme Right in Western Europe Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

Reflections on the Extreme Right in Western Europe, 1990-2008 Christopher Husbards, 2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being

a valuable resource for those teaching courses on this topic or on general political sociology

Radical Right Pippa Norris, 2005-08-22 During recent decades radical right parties have been surging in popularity in many nations gaining legislative seats enjoying the legitimacy endowed by ministerial office and striding the corridors of government power The popularity of leaders such as Le Pen Haider and Fortuyn has aroused widespread popular concern and a burgeoning scholarly literature Despite the interest little consensus has emerged about the primary factors driving this phenomenon The puzzle is to explain why radical right parties have advanced in a diverse array of democracies including in Austria Canada Norway France Italy New Zealand Switzerland Israel Romania Russia and Chile while failing to make comparable gains in similar societies elsewhere such as in Sweden Britain and the United States This book first published in 2005 expands our understanding of support for radical right parties through presenting an integrated new theory which is then tested systematically using a wealth of cross national survey evidence covering almost forty countries

Mapping the Extreme Right in Contemporary Europe Andrea Mammone, Emmanuel Godin, Brian Jenkins, 2012 In recent years the revival of the far right and anti Semitic racist and fascist organizations has posed a significant threat throughout Europe Mapping the Extreme Right in Contemporary Europe provides a broad geographical overview of the dominant strands within the contemporary radical right in both Western and Eastern Europe After providing some local and regional perspectives the book has a series of national case studies of particular countries and regions including Austria Belgium Bosnia Herzegovina Croatia Eastern Europe France Germany Greece Italy Malta Portugal Romania Scandinavia Serbia Spain Switzerland Turkey Ukraine and the United Kingdom A series of thematic chapters examine transnational phenomena such as the use of the Internet the racist music scene cultural transfers and interaction between different groups Drawing together a wide range of contributors this is essential reading for all those with an interest in contemporary extremism fascism and comparative party politics

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen s National Front or Nigel Farage s UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for

students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally *Extreme Right Parties in Western Europe* Piero Ignazi,2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression Beginning with a discussion of the usefulness of the left right distinction it deals with the varied significance of the term right and analyses the right s post war evolution across Europe

Voting Radical Right in Western Europe Terri E. Givens,2005-10-10 The economic and political conditions that have led to the rise of radical right parties exist in similar form and intensity all over Europe Yet radical right parties have only been successful in a few countries The Republikaner party s less than 2% of the vote is much lower than the National Front s high of 15% and the Freedom Party s 27% of the vote in national legislative elections Why do such a small percentage of voters choose the radical right in Germany Why is the radical right winning more seats in Austria than in France and Germany The main argument in this book is that radical right parties will have difficulty attracting voters and winning seats in electoral systems that encourage strategic voting and or strategic coordination by the mainstream parties The analysis demonstrates that electoral systems and party strategy play a key role in the success of the radical right *The Populist Radical Right in Central and Eastern Europe* Andrea Pirro,2015-06-05 Often neglected in the study of far right organisations post communist Europe recently witnessed the rise and fall of a number of populist radical right parties The Populist Radical Right in Central and Eastern Europe is the first comparative study to focus on the ideology impact and electoral performance of this party family in the region The book advances a series of arguments concerning the context and text of these parties and systematically analyses the supply side and demand side of populist radical right politics Whilst populist radical right parties in Central and Eastern Europe maintain broad similarities with their West European counterparts they come across as a distinct phenomenon worthy of study in their own right Parties like Ataka Bulgaria Jobbik Hungary and the SNS Slovakia resort to historical legacies and contextual idiosyncrasies to frame their ideology interact with other parties over a number of policy areas and ultimately compete for public office on the basis of their nativist agenda The book provides a novel framework for the analysis of different aspects of populist radical right politics notably enhancing the understanding of this phenomenon by means of primary data such as personal interviews with party leaders and original expert surveys Using the ideological features of these parties as an overarching analytical tool this book is essential reading for students and scholars researching the far right post communist issues and European politics in general **Right-wing Extremism in the Twenty-first Century** Peter Merkl,Weinberg LEONARD,2004-08-02 Revising the 1997 first edition this study covers events that occurred in Oldham and Bradford after the year 2000 The rise of right wing extremist groups is put under scrutiny in a number of states including Britain Germany Austria Russia and France

Radical Right In Western Europe A Comparative Analysis Introduction

In today's digital age, the availability of Radical Right In Western Europe A Comparative Analysis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Radical Right In Western Europe A Comparative Analysis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Radical Right In Western Europe A Comparative Analysis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Radical Right In Western Europe A Comparative Analysis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Radical Right In Western Europe A Comparative Analysis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Radical Right In Western Europe A Comparative Analysis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Radical Right In Western Europe A Comparative Analysis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Radical Right In Western Europe A Comparative Analysis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Radical Right In Western Europe A Comparative Analysis books and manuals for download and embark on your journey of knowledge?

FAQs About Radical Right In Western Europe A Comparative Analysis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Right In Western Europe A Comparative Analysis is one of the best book in our library for free trial. We provide copy of Radical Right In Western Europe A Comparative Analysis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Right In Western Europe A Comparative Analysis. Where to download Radical Right In Western Europe A Comparative Analysis online for free? Are you looking for Radical Right In Western Europe A Comparative Analysis PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Radical Right In Western Europe A Comparative Analysis. This method for see exactly what may be included and adopt these ideas to your book. This site will

almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Radical Right In Western Europe A Comparative Analysis are for sale to free while some are payable.
