Radical Feminism Today:

Radical Feminism Today Denise Thompson, 2001-06-01 *Radical Feminism Today* offers a timely and engaging account of exactly what feminism is and what it is not. Author Denise Thompson questions much of what has come to be taken for granted as feminism and points to the limitations of implicitly defining feminism in terms of women gender difference or race gender class. She challenges some of the most widely accepted ideas about feminism and in doing so opens up a number of hitherto closed debates allowing for the possibility of moving those debates further. *Radical Feminists* Paul D.

Buchanan, 2011 This timely new book explores the formation of the Radical Feminist Movement of the 1960s and 1970s its prominent leaders and organizations and the issues it sought to address. *China, Sex and Prostitution* Elaine

Jeffreys, 2004-02-24 *China Sex and Prostitution* is a topical and important critique of recent scholarship in China studies concerning sexuality prostitution and policing. Jeffrey's arguments are constructed in the form of detailed analysis of a wide range of primary texts including documents press reports police report and policy and legal pronouncements and secondary literature in both English and Chinese. The work engages with some key debates in the fields of cultural and gender studies and will be welcomed by scholars in these areas as well as by China specialists sociologists and anthropologists.
