Radically Unchurched Who They Are And How To Reach Them:

Radically Unchurched Alvin L. Reid, This book is an alarming look at today's church and how it must reverse its failure to reach an unchurched culture Alvin L Reid examines the causes behind the change from America's Christian identity and the resulting failure of the American church to understand and utilize the New Testament pattern of penetrating an indifferent culture with the gospel

Evangelism Handbook Alvin Reid, 2009 A thoroughly updated overview of how evangelism should happen detailing the work of the Great Commission in four key categories biblical spiritual intentional missional

Education Is Discipleship: So Who's Really Discipling Your Kids? Dr. Christy Anderson, 2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News sound doctrine and a biblical worldview to future generations is the result The adoption of secular philosophies of education age segregation the creation of adolescence the formation of youth ministry the adoption of a teen subculture and a fundamental rejection of practical aspects of the doctrine of sola Scriptura are at the heart of the problem Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education both in the home and in the church

The Complete Evangelism Guidebook Scott Dawson, 2008-06 This comprehensive resource includes contributions from well known evangelists such as Rick Warren Josh McDowell and Luis Palau on everything a person needs to know about sharing his or her faith

Raising the Bar Alvin L. Reid, 2002 Two thirds of today's teens are interested in having a meaningful relationship with God yet less than one third of them are active in a local church These statistics indicate that it is time to change how the church does youth ministry and this compelling book provides an impassioned plea for the church to set higher standards for ministry to teens and their families

THE FUNDAMENTALS OF THE CHRISTIAN FAITH Edward D. Andrews, Reuben Archer Torrey, 2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible

as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies
