The Politics of Irish Memory E. Pine, 2010-11-17 Irish culture is obsessed with the past and this book asks why and how. In an innovative reading of Irish culture since 1980 Emilie Pine provides a new analysis of theatre, film, television, memoir and art and interrogates the anti-nostalgia that characterizes so much of contemporary Irish culture.

The Subject of Childhood Michael O'Loughlin, 2009 The Subject of Childhood is a collection of essays on early childhood education, childhood studies that brings critical psychological, psychoanalytic and cultural studies perspectives to bear on understanding the lives children live. Central concerns running through these essays are the emergence of subjectivity in the child, the complexity of conceptualizing the relationship between external cultural and social forces and the internal sense of agency that we know that each child possesses. Together the volume is a blending of interdisciplinary theoretical writing, personal autobiographical inquiry and concrete examples from the author's work with teachers in schools and from his clinical practice as a child psychoanalyst. Written for advanced undergraduate and graduate students and professionals across the English-speaking world in early childhood education, childhood education, educational foundations and cultural studies in education, this book functions as a core text for advanced undergraduate and graduate courses in child development, child psychology, sociology of education, childhood studies and early childhood education.

A History of Irish Autobiography Liam Harte, 2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self-representation in Ireland from its recoverable beginnings to the twenty-first century. The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages. Beginning with a comprehensive overview of autobiography theory and criticism in Ireland, the History guides the reader through seventeen centuries of Irish achievement in autobiography, a category that incorporates diverse literary forms from religious tracts and travelogues to letters, diaries and online journals. This ambitious book is rich in insight. Chapters are structured around key subgenres, themes, texts and practitioners, each featuring a guide to recommended further reading. The volume's extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era, the first of its kind to be published.

The Adoption Machine Paul Jude Redmond, 2018-03-20 MAY 2014 The Irish public woke to the horrific discovery of a mass grave containing the remains of most 800 babies in the Angels Plot of Tuam's Mother and Baby Home. What followed would rock the last vestiges of Catholic Ireland, enrage an increasingly secularised nation and lead to a Commission of

Inquiry In The Adoption Machine Paul Jude Redmond Chairperson of the Coalition of Mother and Baby Homes Survivors who himself was born in the Castlepollard Home candidly reveals the shocking history of one of the worst abuses of Church power since the foundation of the Irish State From Bessboro Castlepollard and Sean Ross Abbey to St Patrick s and Tuam a dark shadow was cast by the collusion between Church and State in the systematic repression of women and the wilful neglect of illegitimate babies resulting in the deaths of thousands It was Paul s exhaustive research that widened the global media s attention to all the homes and revealed Tuam as just the tip of the iceberg of the horrors that lay beneath He further reveals the vast profits generated by selling babies to wealthy adoptive parents and details how infants were volunteered to a pharmaceutical company for drug trials without the consent of their natural mothers Interwoven throughout is Paul s poignant and deeply personal journey of discovery as he attempts to find his own natural mother The Adoption Machine exposes this dark history of Ireland s shameful and secret past and the efforts to bring it into the light It is a history from which there is no turning away
