time he saw a common girl in her and no longer an angel Gauri was unable to see the tears in his eyes from that distance Raj cried his heart out all the way home The road was deserted except for his sobs which reverberated against the surrounding hills and rocks turning into an echo that only his soul could hear It was the echo of a broken heart that Raj heard for the first time

Odyssey of Love Geeta Bhandari,2016-09-23 This book is my second attempt to celebrate the pastiche of finest human emotion that is love I must admit that it is very tedious for people to get the story of their life right because it is so subtle and complex The paradisaal innocence and guilelessness of the cosmos and the power and glory of relationships have their own illusions and disillusionment but they are the way of our life all true and real wherein love comes as a magic wand setting aside regret reproach and grief Life goes on and is frequented with unknown minds Emotions enter sometimes confronted with compassion and pity making us vulnerable And one is forced to say If thy unworthiness raised love in me More worthy I to be beloved of thee William Shakespeare What emerges from all this is remarkable indeed unique Love is a healer and this is vehemently expressed by one and all Love is a real mystery which made Keats cry O for a life of sensations Rather than of thoughts The impetus for writing this book sprang from my growing realization that love is the only hope in this pernicious and deleterious world of today Some may find love gibberish panoply of emotions or a clap trap bringing butterflies and jingles in the heart but it certainly ennobles man Looking on what I have done with my life today I believe I have probably raised a premeditated exaltation to the perennial cause of joy something which has made me feel humble as and when it possessed and overpowered me The poetess speaks of love wondrous love and looks upon spring as the divine manifestation and is an eternal naysayer to pessimism The war of emotions that the human heart is persistently engaged in and the gutless modern men lacking in passion and compassion reinforce her faith and hope for the second world Amen T S Anand editor Literary Voice Odyssey of Love is a pious and secular peregrination goaded by the disquieting magnetism and charisma of love Dr B L Chakoo professor emeritus
