Sylvia M. Vardell

Rainbow Hand Poems About Mothers And Children:

The Rainbow Hand Janet Wong, 2008-11-03 The poems in this collection are about mothers and their children both from the child's perspective and the mother's. Ranging in subject from a child walking in her mother's comforting protective shadow to a ten year old girl wondering if her mother was a freak when she was ten years old to a mother holding her infant son these poems touch on all aspects of the mother child relationship. Here is Mother's Heart. My mother's heart is a bottle I want to fill with warm milk to soothe her hurts with honey to trap her bitterness with a squirt of Tabasco. Shake her up. Inspired by her memories of her mother and her own role as a mother of a young son these poems skillfully illustrated in full color by Jennifer Hewitson create an honest portrait of timeless human connections. Sometimes funny sometimes sarcastic always sensitive the poems will find a ready audience among young people. Poetry People Sylvia M. Celebrating Poetry Across the K-12 Curriculum Napoli, Mary, Day, Deanna, Ward, Barbara A., 2025-07-16 Poetry provides opportunities to explore the universal and common experiences that connect us as human beings. When teachers infuse poetry into their classroom it can foster compassion, develop interdisciplinary connections, and support literacy instruction. However, not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry. Given the importance of sharing poetry with today's youth, educators must feel confident in evaluating well-written poetry and how to weave poetry from award-winning poets to support interdisciplinary connections. *Celebrating Poetry Across the K-12 Curriculum* aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children's poetry, its relevance to children's lives, and its importance to supporting pedagogical connections. Featuring interviews with well-known poets, this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K-12 classroom. Covering topics such as science content, romanticism, and diversity recognition, this book is an excellent resource for educators, classroom teachers, literacy specialists, librarians, professionals, researchers, scholar-academics, and more.

Poetry Aloud Here! Sylvia M. Vardell, 2006-02-20 From choosing a poem and developing presentations that will keep the audience captivated to using promotional displays and materials, *Poetry Aloud Here* takes the reader through all the steps of introducing poetry for children.

Many Peoples, One Land Alethea K. Helbig, Agnes Regan Perkins, 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults, this valuable resource examines the fiction, oral tradition, and poetry from four major ethnic groups in the United States. Each of these genres is considered in turn for the literature dealing with African Americans, Asian Americans, Hispanic Americans, and Native American Indians. Taking up where their earlier volume *This Land is Our Land* left off, Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999. Both considered authorities in the field of children's literature, the two of them personally selected, read, and evaluated all the books included here. Their insightful annotations help readers carefully consider both literary standards such as plot, development, characterization, and style, as well as cultural values as they are represented in these cited works. Each entry also indicates the suggested age and grade level, appropriateness of the work. With the proliferation and ever-increasing popularity of multicultural literature for children and young adults, this sensitively written volume will serve as an invaluable collection, development tool. Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use. Even students will find this book easy to use with its five indexes identifying works by title, writer, illustrator, grade level, and subject. Public libraries and school media centers will find much use for *Many Peoples, One Land*.
