Red Haired Woman And Other Stories:

The Handsome Monk and Other Stories Tsering Dondrup, 2019-01-08 Tsering Dondrup is one of the most popular and critically acclaimed authors writing in Tibetan today. In a distinct voice rich in black humor and irony, he describes the lives of Tibetans in contemporary China with wit, empathy, and a passionate sense of justice. *The Handsome Monk and Other Stories* brings together short stories from across Tsering Dondrup's career to create a panorama of Tibetan society. With a love for the sparse yet vivid language of traditional Tibetan life, Tsering Dondrup tells tales of hypocritical lamas, crooked officials, violent conflicts, and loyal yaks. His nomad characters find themselves in scenarios that are at once strange and familiar, satirical yet poignant. The stories are set in the fictional county of Tsezhung, where Tsering Dondrup's characters live their lives against the striking backdrop of Tibet's natural landscape and go about their daily business to the ever-present rhythms of Tibetan religious life. Tsering Dondrup confronts pressing issues: the corruption of religious institutions, the indignities and injustices of Chinese rule, poverty, and social ills such as gambling and alcoholism, and the hardships of a minority group struggling to maintain its identity in the face of overwhelming odds. Ranging in style from playful updates of traditional storytelling techniques to narrative experimentation, Tsering Dondrup's tales pay tribute to the resilience of Tibetan culture.

A daughter of Eve. A woman of thirty, and other stories Honoré de Balzac, 1901 **Bernice Bobs Her Hair and Other Stories** F. Scott Fitzgerald, 2019-09-18 It was an age of miracles, declared F. Scott Fitzgerald of the 1920s; it was an age of art, it was an age of excess, and it was an age of satire. No author is more closely associated with the decade than Fitzgerald, who christened it the Jazz Age and chronicled its manners and morals. His lyrical, witty fables of society life reveal the disillusionment and cynicism behind the Roaring Twenties' glamorous facade. Six of Fitzgerald's best-loved stories appear here, starting with the title tale in which a hostess regrets her success at transforming a visiting cousin from wallflower to coquette. Other selections include *The Diamond as Big as the Ritz*, a glittering fantasy about the corrupting power of wealth; *The Ice Palace*, a quasibiographical story of a restless Southern belle; *The Offshore Pirate*; *The Jelly Bean*; and *May Day*. Each considers timeless themes: love, money, power, the search for happiness that keep them enduringly relevant. Todhunters' at Loanin' Head, and Other Stories Elizabeth Lynn Linton, 1881 **The Transparent Girl and Other Stories** S. Corinna Bille, 2006-01-01 Stephanie Corinna Bille, a Swiss short story writer, playwright, poet, and novelist and winner of the 1975 French Prix Goncourt, is often considered the major contemporary Franco-Swiss woman writer. In *The Transparent Girl and Other Stories*, Monika Giacoppe and Christiane Makward have assembled and translated a magnificent collection of Bille's work that exposes an English-speaking audience, many for the first time, to Bille's exotic, captivating, mystical, and sexually provocative stories. Moon Madness and Other Stories Liann Snow, 2002-10 **Nightcap and Other Stories** Paul John Hausleben, 2020-09-08 Romantic and captivating, intriguing and puzzling, fun and entertaining. These words all describe this collection of fantasy stories. *Nightcap and Other Stories*, The Fantasy Collection, is a collection of three novellas from the

master storyteller Paul John Hausleben Nightcap The title story is a mind bender and a story of the unexplained This novella tells the story of the strange events that occur when a lonely and road weary but successful traveling salesman wanders into a hotel bar late one night for a simple nightcap to shake free of the boredom of traveling on the road and to help him sleep From there the story takes a surprise turn and in the end the theme of the story is really about finding true love beyond time and comprehension while bending your mind and leaving you guessing as to how it all began and more importantly where it all ends The Kingdom of Aedan The second novella is a fantasy story for children of all ages It is a story full of knights and heroes of courage and honor guided by a wise wizard and outwitting a crestfallen king in order to save good and eliminate evil all narrated by one of the author s most beloved characters This story is great reading fun and adventure for everyone from the ages of five to one hundred and five The Lamp upon the Table The final story concludes this remarkable collection with a ghost story embedded within hackneyed old legends and folklore heavily laced with romance and concluded with a surprise ending that is sure to make you scratch your head and wonder Of course Paul John Hausleben adds his own special touches to the stories and the author caps it all off with an afterword detailing his own strange experiences while composing the book The entire collection is a magical ride through the world of fantasy and the unknown and is sure to please readers of the author s fantasy work as well as fans of his other genres *Red Haired Woman with Wings* Patricia Robertson,1984

A woman of thirty, The seamy side of history, and other stories Honoré de Balzac,1899 **The Lonesome Trail and Other Stories** B. M.
