Redeemed Image Of God Embodied Relations To The Unknown Divine:

The Redeemed Image of God Susan Windley-Daoust, 2002 *The Redeemed Image of God* examines the classical development of imago Dei the image of God in Christian theology and reconstructs the doctrine in order to recover the role of the image in redemption and the importance of human embodiment in salvific relationships The author argues that the imago Dei is the point of contact that enables a rich web of relationships to others but most importantly the redemptive relationship to the Other God From this perspective not only can the imago Dei be saved but the imago Dei is essential in saving us Windley Daoust retrieves the deep classical meaning of the Image of God as redemptive point of contact and addresses the wholistic worldview of our century through dialogue with existential phenomenologists Gabriel Marcel and Maurice Merleau Ponty This contemporary reconstruction of the image of God theology fully values the Incarnation as enabling redemption and the human body as touchstone to the transcendent This is a new vision of the imago Dei and a theologically suggestive understanding of the human as embodied spirit

The Image of God in the Theology of Gregory of Nazianzus

Gabrielle Thomas, 2019-06-06 Provides the first full length analysis of Gregory Nazianzen s multifaceted account of the image of God against the backdrop of biblical themes

The Image of God in an Image Driven Age Beth Felker Jones, Jeffrey W. Barbeau, 2016-03-18 Humans are created in the image of God yet by choosing to rebel against God we become unfaithful bearers of his image But Jesus who is the image of God restores the divine image in us At the intersection of theology and culture these essays offer a unified vision of what it means to be truly human and created in the divine image in the world today

Doing Philosophy Personally Dwayne A. Tunstall, 2013-03 This book explores how Gabriel Marcel s religious existentialism when coupled with Lewis Gordon s existential phenomenological account of antiblack racism can provide valuable resources for constructing a theistic humanism that is opposed to antiblack racism
