

REDISCOVERING JUDAISM

The background of the cover is a photograph of a young man and woman smiling and looking upwards. They are wearing white prayer shawls (tallitot) over their shoulders. The man is on the right, and the woman is on the left. The background is slightly blurred, showing what appears to be an interior space with arches.

Rediscovering Judaism. Reflections on a New Theology. Edited with an Introduction by Arnold Jacob Wolf. [By Various Authors.] Arnold Jacob Wolf, 1965 [The Cambridge Companion to American Judaism](#) Dana Evan Kaplan, 2005-08-08 This volume provides readers with a comprehensive introduction to the most important and interesting historical and contemporary facets of Judaism in America Written by twenty four leading scholars from the fields of religious studies American history and literature philosophy art history sociology and musicology the book adopts an inclusive perspective on Jewish religious experience Three initial chapters cover the development of Judaism in America from 1654 when Sephardic Jews first landed in New Amsterdam until today Subsequent chapters include cutting edge scholarship and original ideas while remaining accessible at an introductory level A secondary goal of this volume is to help its readers better understand the more abstract term of religion in a Jewish context The Cambridge Companion to American Judaism will be of interest not only to scholars but also to all readers interested in social and intellectual trends in the modern world **The Blackwell Companion to Judaism** Jacob Neusner, Alan Avery-Peck, 2008-04-15 This Companion explores the history doctrines divisions and contemporary condition of Judaism Surveys those issues most relevant to Judaic life today ethics feminism politics and constructive theology Explores the definition of Judaism and its formative history Makes sense of the diverse data of an ancient and enduring faith [Spiritual Boredom](#) Dr. Erica Brown, 2012-05-17 Break the Surface of Spiritual Boredom to Find the Reservoir of Meaning Within We need to be bored When we get bored and take responsibility for our boredom we arrive at a new level of interest introspection or action that has been stirred by the very creativity used

to keep boredom away The relationship between boredom and creativity is far from accidental Creative minds are often stimulated by boredom regarding it as a brain rest until the next great idea looms on the horizon of the otherwise unoccupied mind from Chapter 10 Boredom is a crisis of our age In religious terms boredom is sapping spirituality of its mystical and wholesome benefits slowly corroding our ability to recognize blessing and beauty in our lives to experience wonder and awe What happens when our need for constant newness minimizes our interest in prayer learning and the mysteries of nature This intriguing look at spiritual boredom helps you understand just what this condition is particularly as it relates to Judaism and what the absence of inspiration means to the present and future of the Jewish tradition Drawing insights from psychology philosophy and theology as well as ancient Jewish texts Dr Erica Brown explores the many ways boredom manifests itself within Judaism in the community classroom and synagogue and shows its potentially powerful cultural impact on a faith structure that advises sanctifying time not merely passing it
