Refinements Of Love A Novel About Clover And Henry Adams

Marc Rothenberg

Refinements Of Love A Novel About Clover And Henry Adams:

Refinements of Love Sarah Booth Conroy, 1993 Although rooted in history *Refinements of Love* is a novel of mystery and elegance and powerful fascination Neither history nor Henry Adams ever revealed the truth about the strange death in 1885 of Adams's wife Clover in their home on Lafayette Square within walking distance of the White House In his classic autobiography *The Education of Henry Adams* this grandson and great grandson of presidents did not even mention his wife's name or discuss the years of their marriage Yet Clover Adams's death from poison was a notorious Washington scandal The Adamses were at the center of society in the nation's capital both politicians and literati coveted invitations to their famous salon Clover's sudden death shocked her contemporaries and continues to fascinate people more than a hundred years later In a sparkling and dramatic blend of fact and fiction Sarah Booth Conroy recreates the strange life and mysterious death of Clover Adams and comes up with an astonishing theory regarding its cause Secretary of State John Hay called Clover a bright intrepid spirit with a keen fine intellect And he praised her lofty scorn of all that was mean and her social charm that made the Adamses home such a one as Washington never knew before Henry James novelist and friend declared her a Voltaire in petticoats Was Clover's touch of genius as James called it in an age when women's independence was corseted by social custom responsible for her death In Conroy's enchanting novel of Washington during the Gilded Age the grand houses opulent balls and great art collections form a glittering veneer that masks a dark and sinister reality

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The First Lady Murders Nancy Pickard, 1999 A collection of short detective and mystery stories involving American Presidents' wives

America in Historical Fiction Vandelia L. Vanmeter, 1997-02-15 Portrayals of America's people places and events in historical fiction integrate literature with history and make an exciting supplement to U.S. history classes This book helps educators and students locate the best in classic and contemporary fiction in this subject area Arranged in major chronological divisions of U.S. history the annotated entries include standard bibliographic information time period subject location research base if known and whether the title is more appropriate for mature students or younger secondary students VanMeter often lists prequels and sequels or notes when a title is more than 600 pages long Extensive indexing provides access to entries on a wide variety of topics from women immigrants and ethnic groups to military political and social events
