## Reflections Of The Great Spirit:

*Reflections* Peter James Ford,2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger **The Way , My Name Is Cougar** Bill York,2009-12-10

WHEN GOD IS FORSAKEN IDOLATRY WILL REIGN SUPREME WHEN IDOLATRY REIGNS SUPREME EVIL WILL FLOURISH WHEN EVIL FLOURISHES THE END IS NEAR Mike Hayden writer and an avid outdoorsman spent four weeks in the wilderness of the Bitterroot Mountains in Idaho searching for a 209 year old Nez Perce Indian reported to be living there When approached the Indian along with an Appaloosa horse and a mountain lion would disappear Hayden a Native American historian was there to glean historical information from the man After one week the Indian materialized along with his horse and a tawny mountain lion He said My name is Cougar While spending time together the duo discovered they were Kindred Spirits and held lengthy discussions about the dilemmas in paleface society Over the years the author spent time on Indian reservations in Canada Dakotas and the Pacific Northwest He lived for a month on the Nez Perce reservation in Idaho where he powwowed with Elders and fished for steelhead salmon on the Clearwater River at the precise shoals where Lewis Clark first encountered the Nez Perce in 1805 *Speeches and Writings of Virchand R. Gandhi* Virchand Raghavji Gandhi,1924

Spiritual Reflections Doris Nickles,2010-02 My book consists of a number of short writings based on the ability to communicate with spirit and how it has helped me to understand my journey through life and all it s events I write of understanding natural law and the balance of nature personal responsibility and retributions in all doings I write of examples of how this understanding has helped me what I have discovered in being a positive person and living a positive life I also draw attention to healing energies and assisting self to heal the heart mind and soul Helping to direct a positive outlook on life and its events I feel anyone who reads my book will find they can identify in some way with the experiences I share and the messages derived from these writings **Don't Bug Me; I'm Reading** Bill York,2012-05 My cathedral is in an isolated

wilderness away from contemporary blight After several years of marriage my wife describes me as odd I prefer eccentric She calls me a cheapskate I am frugal I also choose to be different we put way too much emphasis on the words Hall of Fame legend glamour champion celebrity and famous I may admire but never idolize Heroes aren't on golf courses nor in stadiums but in the uniforms of our firefighters military and police officers There are no idols in my life Stars are to be revered only in the night sky not in Hollywood Rather than sit in a night club involved in inane conversations I would rather see hummingbirds performing aerobatics canoe a rogue river watch a moose cavorting with her calf in a turbulent stream see the Aurora Borealis fire streamers of color across a darkening sky study undulating lines of snow geese buffeted by lofty winds honking their way to their mysterious destinations There are yet unseen wonders in nature My adventurous nature was established when I lived for a month on a Chipewyan reservation in Manitoba hunting seal and bear from a dog sled using harpoons and bow and arrows living the way of their ancestors Frogs in a well have a limited view of the limitless sky Beyond every horizon there is a horizon I have canoed the Mackenzie River in Canada's Northwest Territory the Churchill in Manitoba Fraser River in British Columbia the Deschutes in Oregon and the Wolverine in Nunavut I lust to explore each wilderness on earth where overpopulation has not contaminated the environment Time away from the fallacies of civilization is regenerative

*How the Great Spirit Shaped My Life* Tommy S W Wong, 2022-10-14 In spirituality there is a theory that a Great Spirit hovers around us It sees what we are doing It guides us and protects us It also creates opportunities for us to meet the right people and participate in the right events so that we grow spiritually Is this theory true I don't know I'm an ordinary human being without any spiritual power However by looking at the events that happened in my present incarnation for the past 70 years I believe that there were many occasions in which the Great Spirit was active in my life In this book in nine chapters I share the people and events which I believe the Great Spirit has used to shape my life and moved me in directions which I had never dreamt of The chapters are 1 On my parents 2 On my studies 3 On my working life as an engineer and on my wife 4 On my working life as an academic 5 On my sporting achievements 6 On my working life as an editor and a consultant 7 On my working life as an author and a speaker 8 On my life mission and other life stories and 9 On the Great Spirit After living this life for seven decades and believing that it has been shaped by the Great Spirit I like to say that it's been a truly blessed life a life that is filled with meaning and fulfilment I hope this sharing enables you to be more aware of the Great Spirit in your life and you too will see your life as blessed meaningful and fulfilling May the Great Spirit be with you

*Indians and Observations and Reflections* Richard Calmit Adams, 1904      Path of the Sacred Pipe Jay Cleve, 2012-11-27 In these days of global crisis thoughtful seekers increasingly turn to Native Americans for healing wisdom The Sacred Pipe is the medicine says Jay Cleve in this informative and practical guide to a key practice of Native American spirituality The Hopi and other ancient cultures predicted our present age as one of transition into a New World The galactic alignment ending the Mayan calendar on December 21 2012 occurs only every 26 000 years and is thought to be a critical time for raising consciousness to align with the radical expansion of Earth energies Cleve shows how the Pipe can facilitate transformation on both the personal and planetary levels He explains its use in rituals such as the sweat lodge the vision quest and the sun dance and in relation to the Medicine Wheel He also provides practical information on obtaining and caring for a Pipe and on preparing for and performing the Pipe ceremony
