Deep South Allison Davis, Burleigh Bradford Gardner, Mary R. Gardner, 2009 First published in 1941 Deep South is the cooperative effort of a team of social anthropologists to document the economic racial and cultural character of the Jim Crow South through a study of a representative rural Mississippi community Researchers Allison Davis Burleigh B Gardner and Mary R Gardner lived among the people of Natchez Mississippi as they investigated how class and caste informed daily life in a typical southern community This Southern Classics edition of their study offers contemporary students of history a provocative collection of primary material gathered by conscientious and well trained participant observers who found then as now intertwined social and economic inequalities at the root of racial tensions Expanding on earlier studies of community stratification by social class researchers in the Deep South Project introduced the additional concept of caste which parsed a community through rigid social ranks assigned at birth and unalterable through life a concept readily identifiable in the racial divisions of the Jim Crow South As African American researchers Davis and his wife Elizabeth along with his assistant St Clair Drake were able to gain unrivaled access to the black community in rural Mississippi unavailable to their white counterparts Through their interviews and experiences the authors vividly capture the nuances in caste enforcing systems of tenant landlord relations local government and law enforcement But the chief achievement of Deep South is its rich analysis of how the southern economic system and sharecropping in particular functioned to maintain rigid caste divisions along racial lines In the new introduction to this edition Jennifer Jensen Wallach situates this germinal study within the field of social anthropology and against the backdrop of similar community studies of the era She also details the subsequent careers of this distinguished

team of researchers *Refusals and Reflections*, 2024-11-04 Though qualitative research methods shape scholarship around the globe and institutions worldwide offer qualitative coursework there is very little explicit discussion on how to effectively teach qualitative research Instead a standard approach is for instructors to gain in depth expertise in qualitative methodologies with little or no pedagogical training The effect is a continuous and nearly exclusive emphasis on content knowledge that undermines the preparation of novice researchers as both teachers and learners This book works to fill that gap by offering perspectives strategies and applications from instructor and student perspectives based on a semester long class emphasizing social justice in qualitative research This edited volume offers sections on pedagogical strategies students responses to and applications of those concepts and then instructor reflections The goal is to offer an important starting point for explicit discussions on how qualitative research might be taught and learned in addition to how it might be thoughtfully and ethically conducted Contributors are Erica T Campbell Sun Young Gu Kelsey H Guy Aimee J Hackney April M Jones Alison N Kearley Caran Kennedy Amon Neely Cowan Allyson Pitzel Diana Quito Erin E Rich Stephanie Anne Shelton Ashley Salter Virgin and Venus Trevaee Watson Rearview Mirror Reflections Frances Wright, 2013-03-15 Rearview Mirror Reflections depicts the family biographical reflections of one who was born and reared in the Deep South during the late 1940s This narrative presents a collection of illuminating short stories and incidents that reveals the delightful difficult and sometimes complicated experiences of my childhood These informative reflected stories events people and places were collected as the remembrance of them flowed from my richly endowed memories However the presentation of them will not always be arranged in the order in which these experiences occurred Life has a way of beckoning at us from our past Reflections of it show up as bright as the noonday sun alluding to the fact that it has in some way shaped our present day Experiences and lessons learned stare toward us with clear perceptions of those former days The joys and the sorrows of our family still stand out as markers of progressiveness and accomplishments Nowhere has it been known of as having a childhood such as ours As I was growing up I did not have anything to compare my life with So I simply accepted things as they were Nevertheless my growing up years holds many fond memories that I would not have traded for anything else Therefore many of my reflections may seem somewhat amusing and maybe incredible to believe by some or even a bit absurd Nevertheless they all identify my youth as I reflect upon my childhood It is my hope that you will enjoy reading my family biographical reflections as well as I did in sharing them with you *Reflections on Reformational Theology* Kimlyn J. Bender, 2021-07-29 The essays in this volume examine some of the fundamental doctrinal convictions of Martin Luther and the Reformation legacy as well as the maturation and development of these convictions in the theology of Karl Barth The broad evangelical vision that spans its various confessional tributaries is presented in the essays of this volume Together these studies serve as a cumulative argument for the ongoing coherence meaning and consequence of that vision one that at its heart is constructive and ecumenical rather than narrowly polemical Kimlyn J Bender examines a variety of topics such as

the relation of Christ and the Church as understood in the theology of Luther and Barth the centrality of Christ to an understanding of all the solas of the Reformation the place and significance of the Reformers in Barth's own thought and Barth's theology in conversation with distant descendants of the Reformation often neglected including Baptists in America Pietists in Europe and Barth's own complicated relationship with Kierkegaard Bender concludes his discussion by presenting constructive proposals for a Church and university on the way and thus ever reforming **Studies in Short Fiction**, 1977
