## **Reform And Revolution The Life And Times Of Raymond Robins:**

**Reform and Revolution** Neil V. Salzman, 1991 The author made use of recently available collections of personal letters and documents of Progressive reformer Raymond Robins in the papers of his sister Elizabeth Robins at the Fales Library of New York University to develop this complete analysis of Robins and his work *The Lockhart Plot* Jonathan Schneer, 2020 This is the extraordinary story of the British plot in the summer of 1918 to overthrow the Bolshevik government in Russia murder the Bolshevik leaders and install a new government in Moscow that would re open the war against the Germans on the Eastern Front **Reds** Ted Morgan, 2020-04-14 In this landmark work Pulitzer Prize winning author Ted Morgan examines the McCarthyite strain in American politics from its origins in the period that followed the Bolshevik Revolution to the present Morgan argues that Senator Joseph McCarthy did not emerge in a vacuum he was rather the most prominent in a long line of men who exploited the issue of Communism for political advantage In 1918 America invaded Russia in an attempt at regime change Meanwhile on the home front the first of many congressional investigations of Communism was conducted Anarchist bombs exploded from coast to coast leading to the political repression of the Red Scare Soviet subversion and espionage in the United States began in 1920 under the cover of a trade mission Franklin Delano Roosevelt granted the Soviets diplomatic recognition in 1933 which gave them an opportunity to expand their spy networks by using their embassy and consulates as espionage hubs Simultaneously the American Communist Party provided a recruitment pool for homegrown spies Martin Dies Jr the first congressman to make his name as a Red hunter developed solid information on Communist subversion through his Un American Activities Committee However its hearings were marred by partisan attacks on the New Deal presaging McCarthy The most pervasive period of Soviet espionage came during World War II when Russia as an ally of the United States received military equipment financed under the policy of lend lease It was then that highly placed spies operated inside the U S government and in America s nuclear facilities Thanks to the Venona transcripts of KGB cable traffic we now have a detailed account of wartime Soviet espionage down to the marital problems of Soviet spies and the KGB s abject efforts to capture deserting Soviet seamen on American soil During the Truman years Soviet espionage was in disarray following the defections of Elizabeth Bentley and Igor Gouzenko The American Communist Party was much diminished by a number of measures including its expulsion from the labor unions the prosecution of its leaders under the Smith Act and the weeding out under Truman s loyalty program of subversives in government As Morgan persuasively establishes by the time McCarthy exploited the Red issue in 1950 the battle against Communists had been all but won by the Truman administration In this bold narrative history Ted Morgan analyzes the paradoxical culture of fear that seized a nation at the height of its power Using Joseph McCarthy s previously unavailable private papers and recently released transcripts of closed hearings of McCarthy s investigations subcommittee Morgan provides many new insights into the notorious Red hunter s methods and motives Full of drama and intrigue finely etched portraits and political revelations **Reds** brings to life a

critical period in American history that has profound relevance to our own time      *Red Pepper and Gorgeous George* James C. Clark, 2011-10-09 For nearly a century in Florida and throughout the South election to the United States Senate virtually guaranteed a lifetime position especially if you were a Democrat Certainly no Republican candidate stood a chance in the general election and it was nearly unthinkable to imagine a serious challenger emerging in the primary Claude Red Pepper first ran for the U S Senate in 1934 Though unsuccessful despite allegations of voter fraud he won a special election two years later after both senators from Florida died in office Reelected to full terms in 1938 and 1944 as a vigorous supporter of the New Deal he had every reason to suspect the seat was his indefinitely or at least until he decided it was time to seek higher office Pepper saw himself as the national heir to Roosevelt s foreign policy he encouraged cooperation with the Soviet Union our World War II ally and actively worked to defeat Truman s presidential nomination in 1948 After nearly fourteen years in office Pepper had earned the enmity of the president alienated most of his colleagues in the senate and aligned himself with the ultra left wing politics of Henry Wallace Still in the entire history of the state no sitting Florida Senator had ever been voted out of office However the political world was changing and it was the right leaning Gorgeous George Smathers not Pepper who recognized and took advantage of this fact Smathers fought a vicious bare knuckled campaign employing ferocious and divisive attacks against Pepper He helped make liberal anathema to aspiring southern politics and was the first of a new breed of conservative politicians though not yet Republican to rise to power Eventually the era would be named for a junior senator from Wisconsin but it was Smathers who first successfully employed the strategies of McCarthyism to unseat an incumbent He was so successful in fact that before the general election Smathers had to reassure President Truman and other potential supporters that his loyalties did in fact lie with the Democratic Party His resounding victory inspired others including Richard Nixon and Barry Goldwater to adopt similar tactics in their senatorial campaigns It also helped set the stage for the complete reversal of the political power structure that had ruled the South since the end of Reconstruction Red Pepper and Gorgeous George is a fascinating look at the campaign that changed everything in Florida and the South It is also a shocking sobering reminder that despite introducing the phrase hanging chad to the national lexicon the 2000 presidential election was merely the second most important national election to take place in the state

*Celibacies* Benjamin Kahan, 2013-11-25 Arguing that celibacy is a distinct sexuality with its own practices and pleasures Benjamin Kahan shows it to be much more than the renunciation of sex or a cover for homosexuality      *America's Secret War against Bolshevism* David S. Foglesong, 2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson s administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson s ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism

Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid to anti Bolshevik forces established clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington *St. Louis and Empire* Henry W Berger,2015-04-23 From its eighteenth century French fur trade origins to post Cold War business dealings with Latin America and Asia the city has never neglected nor been ignored by the world outside its borders In this pioneering study Henry W Berger analyzes St Louis s imperial engagement from its founding in 1764 to the present day revealing the intersection of local political cultural and economic interests in foreign affairs

**Baptists and Public Life in Canada** Gordon L. Heath,Paul R. Wilson,2012-02-02 Public discussion about the relationship between religion and public life in Canada can be heated at times and scholars have recently focused on the historical study of the many expressions of this relationship The experience of Canada s smaller Protestant Christian groups however has remained largely unexplored This is particularly true of Canada s Baptists This volume the first produced by the Canadian Baptist Historical Society explores the connections between Baptist faith and Baptist activity in the public domain and expands the focus of the existing scholarship to include a wide range of Canadian Baptist beliefs attitudes perspectives and actions related to the relationship between Baptist faith and practice and public life

Roger C. Sullivan and the Making of the Chicago Democratic Machine, 1881-1908 Richard Allen Morton,2016-07-13 Dominating the Windy City for decades the Chicago Democratic Machine has become a fixture in American political history Under Mayor Richard J Daley it acquired almost mythical perhaps notorious status Yet its origins have remained murky some say it began as a shady enterprise during the ethnic upheaval of the late 1920s Based upon new research this book offers a fresh perspective Formed through factional warfare and consolidated with methods borrowed from the business world the Machine grew out of the unfettered capitalism of the late 19th century Its principal founder and first boss Roger C Sullivan represented a generation of businessmen politicians who emerged in the 1880s Sullivan and his allies created an informal public power structure that while serving their own interests also made government more functional The Machine is a product of America s Gilded Age and the Progressive Era and offers a lesson in the advantages and limitations of representative government Caught in the Revolution Helen Rappaport,2017-02-07 From the New York Times bestselling author of *The Romanov Sisters* comes a gripping portrait of a St Petersburg then named Petrograd at the outbreak of the Russian revolution
