

**Reformulating Special Education:
Policy & Implementation from School Level to District Level**

W. Russell A. Skusek

2004

Abstract: This book examines the implementation of special education policy in the United States. It begins with a discussion of the historical context of special education, followed by a review of the current state of the field. The book then presents a series of case studies that illustrate the challenges of implementing special education policy in different settings. Finally, the book offers a series of recommendations for improving the implementation of special education policy.

Keywords: special education, policy, implementation, case studies, recommendations
