Administrative Reform in Post-Mao China Stephen K. Ma, 1996 This book analyzes China's bureaucratic behavior since the inauguration of administrative reform in the late 1970s Although bureaucratic behavior in China in the past decade was increasingly corrupted this aspect of China's post Mao reform has not been subjected to a rigorous scrutiny This book explores the gulf between desired and the actual bureaucratic behavior among China's public administrators The author argues that this behavioral gap in China's modernization stems from several factors including the nation's cultural heritage the ruling party's approach to government and the absence of trusted full fledged academic groups assigned to advise on administrative reform The book then probes one of the gravest consequences of the behavioral gap reform corruption a phenomenon which seems to be a mixed blessing of modernization

From Reform to Revolution Minxin PEI, Minxin Pei, 2009-06-30 This is the first comprehensive effort to compare the recent political experiences of the Union of Soviet Socialist Republics and the People's Republic of China by tracing their overlapping and diverging paths of regime change

Law Reform in Developing and Transitional States Timothy Lindsey, 2007 Law reform in developing countries has become an increasingly topical subject in recent years A critical issue is why so many law reform projects in developing economies are regarded by their sponsors and recipients as unsuccessful This informative book examines examples of law reform projects in post socialist and post authoritarian states in Asia identifies common problems

proposes analytical frameworks for understanding the problems identified. Though parallels between Asian models and those in developing states elsewhere in the world are strong, the book has been developed to avoid suggestion that the issues covered are somehow peculiarly Asian; indeed, it is shown that cultural relativist approaches to Asia are unsustainable. This is an invaluable reference for those involved in the areas of development economics, Asian studies and comparative politics.

Dynamics of Local Governance in China During the Reform Era Tse-Kang Leng, Yun-han Chu, 2009-12-23. Since the Chinese economic reform was realized in the early 1990s, a significant revolution has been launched socially, economically and politically in China. At present, China is an indispensable actor in the international arena so that the transitions domestically bring about substantial influence on the whole world. **Dynamics of Local Governance in China during the Reform** takes close look at China's current transformation and its broader implications. Through their thought-provoking essays, the contributors to this volume dissect China's transformation by examining various topics in the field of contemporary China studies, such as rural industrialization, development of civic society, socio-economic transformation and local self-governance.
