Reforms And Innovations In Bank Management:

Reforms and Innovations in Bank Management Gill C. Lim, 2004 Reforms and Innovation in Education Alexander M. Sidorkin, Mark K. Warford, 2017-10-05 This book investigates the interrelationship between educational reforms and pedagogical and technological innovations as well as the implications of this relationship for the quality of human capital By analyzing recent educational reforms in Russia and the US the authors shed new light on how these reforms may help or hinder innovations such as the introduction of computer technologies into classrooms new methods of teacher evaluation constructivist teaching methods and governance in public schools Taking labor economics as a useful lens for conceptualizing the diffusion of innovation in the first part of the book the authors analyze how certain power arrangements can block educational innovations in schools In the second part they examine recent educational reforms in the US and Russia The final part presents a vision of the next generation of educational reforms which may enable innovation diffusion rather than hamper it
