**Jewish Lives Between Central Europe and Mandatory Palestine** Andreas Kraß, Moshe Sluhovsky, Yuval Yonay, 2021-12-03 When queer Jewish people migrated from Central Europe to the Middle East in the first half of the 20th century they contributed to the creation of a new queer culture and community in Palestine This volume offers the first collection of studies on queer Jewish lives between Central Europe and Mandatory Palestine While the first section of the book presents queer geographies including Germany Austria Poland and Palestine the second section introduces queer biographies between Europe and Palestine including the sexologist Magnus Hirschfeld 1868 1935 the writer Hugo Marcus 1880 1966 and the artist Annie Neumann 1906 1955 **Cities of Refuge** Lori Gemeiner Bihler, 2018-04-01 Contrasts the experiences of German Jewish refugees from the Holocaust who fled to London and New York City In the years following Hitler's rise to power German Jews faced increasingly restrictive antisemitic laws and many responded by fleeing to more tolerant countries Cities of Refuge compares the experiences of Jewish refugees who immigrated to London and New York City by analyzing letters diaries newspapers organizational documents and oral histories Lori Gemeiner Bihler examines institutions neighborhoods employment language use name changes dress family dynamics and domestic life in these two cities to determine why immigrants in London adopted local customs more quickly than those in New York City yet identified less as British than their counterparts in the United States did as American By highlighting a disparity between integration

and identity formation Bihler challenges traditional theories of assimilation and provides a new framework for the study of refugees and migration

**The Island of Extraordinary Captives** Simon Parkin, 2023-10-31 Following the events of Kristallnacht in 1938 Peter Fleischmann evaded the Gestapo's midnight roundups in Berlin by way of a perilous journey to England via the Kindertransport train. But he could not escape the British police who came for him in the early hours and shipped him off to Hutchinson Camp on the Isle of Man under suspicion of being a spy for the very regime he had fled. Peter's story was no isolated incident. During Hitler's rise to power in the 1930s tens of thousands of German and Austrian Jews escaped and found refuge in Britain. Once war broke out in 1939 the nation turned against them fearing that Nazis had planted spies posing as refugees. Innocent asylum seekers thus were labeled enemy aliens and ultimately sentenced to an indefinite period of internment. When Peter arrived at Hutchinson Camp he found one of history's most astounding prison populations renowned professors, composers, journalists, and artists. Together they created a thriving cultural community complete with art exhibitions, lectures, musical performances, and poetry readings. The artists welcomed Peter as their pupil and forever changed the course of his life. Meanwhile suspicions grew that a real spy was hiding among them, one connected to a vivacious heiress from Peter's past. Drawing from unpublished first person accounts and newly declassified documents from the British government award-winning journalist Simon Parkin tells the story of this unlikely group of internees. *The Island of Extraordinary Captives* brings history to life in vivid detail revealing the hidden truth of Britain's grave wartime mistake and showcasing how hope and creativity can flourish in even the darkest of circumstances

*The Other Schindlers* Agnes Grunwald-Spier, 2010-12-26 Thanks to Thomas Keneally's book *Schindler's Ark* and the film based on it *Schindler's List* we have become more aware of the fact that in the midst of Hitler's extermination of the Jews courage and humanity could still overcome evil. While 6 million Jews were murdered by the Nazi regime some were saved through the actions of non-Jews whose consciences would not allow them to pass by on the other side and many are honoured by Yad Vashem as Righteous Among the Nations for their actions. As a baby Agnes Grunwald Spier was herself saved from the horrors of Auschwitz by an unknown official and is now a trustee of the Holocaust Memorial Day Trust. She has collected together the stories of thirty individuals who rescued Jews and these provide a new insight into why these people were prepared to risk so much for their fellow men and women. With a foreword by Sir Martin Gilbert one of the leading experts on the subject this is an ultimately uplifting account of how some good deeds really do shine in a weary world

*Children with a Star* Deborah Dwork, 1991-01-01 The book is based on hundreds of oral histories conducted in Europe and North America with survivors who were children in the Holocaust, primary documentation uncovered by the author including diaries, letters, photographs, and family albums, and archival records. Drawing on these sources Dwork reveals the feeling, daily activities, and perceptions of Jewish children who lived and died in the shadow of Holocaust. She reconstructs and analyzes the many different experiences the children faced. In the early years of Nazi domination they lived at home increasingly oppressed by rising anti-

Semitism Later some went into hiding while others attempted to live openly on gentile papers As time passed more and more were forced into transit camps ghettos and death and slave labour camps Although nearly 90 percent of the Jewish children in Nazi Europe were murdered we learn in this history not of their deaths but of the circumstances of their lives      **Rabbi Leo Baeck** Michael A. Meyer, 2020-11-20 Rabbi educator intellectual and community leader Leo Baeck 1873 1956 was one of the most important Jewish figures of prewar Germany The publication of his 1905 *Das Wesen des Judentums* The Essence of Judaism established him as a major voice for liberal Judaism He served as a chaplain to the German army during the First World War and in the years following resisting the call of political Zionism he expressed his commitment to the belief in a vibrant place for Jews in a new Germany This hope was dashed with the rise of Nazism and from 1933 on and continuing even after his deportation to Theresienstadt he worked tirelessly in his capacity as a leader of the German Jewish community to offer his coreligionists whatever practical intellectual and spiritual support remained possible While others after the war worked to rebuild German Jewish life from the ashes a disillusioned Baeck pronounced the effort misguided and spent the rest of his life in England Yet his name is perhaps best known today from the Leo Baeck Institutes in New York London Berlin and Jerusalem dedicated to the preservation of the cultural heritage of German speaking Jewry Michael A Meyer has written a biography that gives equal consideration to Leo Baeck s place as a courageous community leader and as one of the most significant Jewish religious thinkers of the twentieth century comparable to such better known figures as Martin Buber Franz Rosenzweig and Abraham Joshua Heschel According to Meyer to understand Baeck fully one must probe not only his thought and public activity but also his personality Generally described as gentle and kind he could also be combative when necessary and a streak of puritanism and an outsized veneration for martyrdom ran through his psychological makeup Drawing on a broad variety of sources some coming to light only in recent years but especially turning to Baeck s own writings Meyer presents a complex and nuanced image of one of the most noteworthy personalities in the Jewish history of our age      **Advocate for the Doomed** James G. McDonald, 2007-04-25 Chronicles the efforts of this principled and persistent man to save Jews and others from the horrors of Nazism Foreign Affairs The private diary of James G McDonald 1886 1964 offers a unique and hitherto unknown source on the early history of the Nazi regime and the Roosevelt administration s reactions to Nazi persecution of German Jews Considered for the post of US ambassador to Germany at the start of FDR s presidency McDonald traveled to Germany in 1932 and met with Hitler soon after the Nazis came to power Fearing Nazi intentions to remove or destroy Jews in Germany in 1933 he became League of Nations High Commissioner for Refugees and sought aid from the international community to resettle outside the Reich Jews and others persecuted there In late 1935 he resigned in protest at the lack of support for his work This is the eagerly awaited first of a projected three volume work that will significantly revise the ways that scholars and the world view the antecedents of the Holocaust the Shoah itself and its aftermath A compelling look at one man s efforts to do something about a looming catastrophe At times

the book is inspiring McDonald's prescience and energy are simply amazing But because we know what is soon to happen to Europe's Jews we share his frustration that no one seems to be listening We feel what it was to be an advocate for the doomed The Wall Street Journal The diaries show that McDonald believed as early as 1933 that the Nazis were considering the mass killing of Europe's Jews The New York Times
