Refugees Citizenship And Social Policy In Europe:

Refugees, Citizenship and Social Policy in Europe A. Bloch, C. Levy, 1999-04-30 Recently global and European migration in the post Cold War world have received much attention This edited collection is a comprehensive up to date account of the social policies of European welfare states towards refugees and asylum seekers It also examines the contested boundaries between refugees and asylum seekers and citizenship within European nation states and the European Union

Social Policy Review 14 Sykes, Robert, Bochel, Catherine, 2002-07-17 *Social Policy Review 14* continues the tradition of providing a different style and approach to policy issues from that found in most academic journals and books Chapters have been purposely chosen to review a varied and interesting selection of social policy developments in Britain and internationally and to set current policy developments in a broader context of key trends and debates

Between Past and Future Will Guy, 2001 This collection of papers discusses the experience of the Roma in eastern and central Europe since the collapse of Communism

Transcultural Health and Social Care Irena Papadopoulos, 2006-05-12 This title is directed primarily towards health care professionals outside of the United States It communicates current evidence based knowledge in the area of transcultural care and meets the needs of health and social care practitioners who must change their practices to comply with national policies and the expectations of a multicultural public Provides research based information on culturally competent care of vital importance to all health and social workers in multi cultural communities Covers issues and user groups not covered by other publications

Couches UK issues within a European and global perspective

The Political Economy of Managed Migration Georg Menz, 2010-12-16 European governments have re discovered labour migration but are eager to be perceived as controlling unsolicited forms of migration especially through asylum and family reunion The emerging paradigm of managed migration combines the construction of more permissive channels for desirable and actively recruited labour migrants with ever more restrictive approaches towards asylum seekers Non state actors especially employer organizations trade unions and humanitarian non governmental organisations attempt to shape regulatory measures but their success varies depending on organizational characteristics Labour market interest associations lobbying strategies regarding quantities and skill profile of labour migrants will be influenced by the respective system of political economy they are embedded in Trade unions are generally supportive of well managed labour recruitment strategies But migration policy making also proceeds at the European Union EU level While national actors seek to upload their national model as a blueprint for future EU policy to avoid costly adaptation top down Europeanization is re casting national regulation in important ways notwithstanding highly divergent national regulatory philosophies Based on field work in and analysis of primary documents from six European countries France Italy United Kingdom Ireland Germany and Poland this book makes an important contribution to the study of a rapidly Europeanized policy domain Combining insights from the literature on comparative political economy Europeanization and migration studies the book makes important contributions

to all three while demonstrating how migration policy can be fruitfully studied by employing tools from mainstream political science rather than treating it as a distinct subfield Gendering the International Asylum and Refugee Debate J.

Freedman,2015-06-23 This revised and updated 2nd edition of Freedman's hard hitting study aims to remedy the current lack of gender specific analyses of asylum and refugee issues It provides a comprehensive account of the situation of women in global forced migration and explains the ways in which women's experiences are shaped by gendered relations and structures

The Migration and Settlement of Refugees in Britain A. Bloch,2002-08-12 The increase in the number of asylum seekers arriving in Europe has placed the issue of migration high on the policy agendas of national governments and the European Union This book analyzes the impact of policy on the social and economic settlement of refugees in Britain in that context The issues explored include current UK and EU migration policy the history of migration to Britain and policy responses theories of migration and migrant settlement social and economic settlement of refugees in Britain including language employment social networks the migratory process community development and policy recommendations

Routledge Handbook of Immigration and Refugee Studies Anna Triandafyllidou,2022-12-30 The Routledge Handbook of Immigration and Refugee Studies offers a comprehensive study of the multi disciplinary field of international migration and asylum studies The new edition incorporates numerous new chapters on issues including return migration the relationship between urbanisation and migration the role of advanced digital technologies in migration governance decision making and human agency and the COVID 19 pandemic and its impact on global migration Utilising contemporary information and analysis this innovative Handbook provides an in depth examination of the major analytical questions pertaining to migration and asylum whilst discussing key areas such as work welfare families citizenship the relationship between migration and development asylum and irregular migration With a comprehensive collection of essays written by leading contributors from different world regions and covering a broad range of disciplines including sociology geography legal studies political science and economics the Handbook is a truly multidisciplinary reader Organised into thematic and geographical chapters the Routledge Handbook of Immigration and Refugee Studies provides a concise overview on the different topics and world regions as well as useful guidance for both the starting and the more experienced reader The Handbook's expansive content and illustrative style will appeal to both students and professionals studying in the field of migration and international organisations

From Immigration Controls to Welfare Controls Steve Cohen,Beth Humphries,Ed Mynott,2014-04-08 This edited collection addresses theoretical political and practical aspects of the connection between external immigration controls and internal welfare controls It considers the implications for the both those subject to controls and those drawn into the web of implementing internal welfare controls Topics discussed include forced dispersal of asylum seekers local authority and voluntary sector regulations nationalism racism class and fairness strategies for resistance to controls USA controls The book provides support to those unwittingly drawn into administering controls showing how the role of welfare

workers as immigration control enforcers is not a sudden imposition but has existed since the introduction of controls in 1905 From Immigration Controls to Welfare Controls will provide a valuable resource for all those professionals who come into contact with the issues surrounding immigration Refugees, Civil Society and the State Ludger Pries, 2018-04-27 Ludger Pries explores the important moral social and political challenge facing Europe and the international community the protection of refugees as one of the most vulnerable groups on the planet
