## Regarding Politics :

*Regarding Politics* Harry Eckstein, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992      **On Politics** Henry Louis Mencken, 1996 Has the art of politics no apparent utility Does it appear to be unqualifiedly ratty raffish sordid obscene and low down and its salient virtuosi a gang of unmitigated scoundrels Then let us not forget its high capacity to soothe and tickle the midriff its incomparable services as a maker of entertainment from *On Politics* With a style that combined biting sarcasm with the language of the free lunch counter Mencken shook politics and politicians for nearly half a century The political arena afforded Mencken a special opportunity to showcase his talents He despised pretentiousness and hypocrisy and found numerous easy targets among politicians But while he could be merciless in attacking local and national leaders Mencken always interspersed his scathing commentaries with entertaining exaggerations and high humor This collection of seventy political pieces drawn from Mencken's famous Monday columns in the Baltimore Evening Sun during the twenties and thirties shows the Sage of Baltimore at his satirical best While social attitudes may have changed the value of Mencken's words on American politics offers us a timeless perspective      **Handbook on Politics and Society** Shireen Hassim, Anna C. Korteweg, 2025-06-09 This ground breaking Handbook decentres theories of social and political arrangements originating from parochial histories of Europe and North America Connecting the politics of race class sexuality and gender it provides critical perspectives on capitalism states and political mobilisation and adopts an interdisciplinary approach to key contemporary issues in politics and society      Essays on Politics and Society Hasan JASHARI, 2015-05-10 Hasan Jashari is a professor at the South East European University since its foundation He finished his Masters and PhD studies at the University of Skopje His interest for scientific research is mostly focused on the areas of sociology education politics Mr Jashari signed the contract for the establishment of State University of Tetova in 1994 and was leader of the delegation of the Government of Macedonia at the Conference of the European Educational Cooperation for Peace Stability and Democracy Graz November 14-16 1998 organized during the Austrian Presidency of the EU in which the project of Max van der Stoep for SEE University was approved He is an Associate Professor and is actively involved in the scientific research      *Essays on Practical Politics* Theodore Roosevelt, 1888      *Don't Talk About Politics* Sarah Stein Lubrano, 2025-05-15 Democracy is dying because we are clinging to a dangerous and outdated myth talking about politics can change people's minds It doesn't This provocative debut from a bold new voice combines a fascinating range of research to show us the psychological and sociological factors that really shape our politics Drawing from ancient philosophy to modern neuroscience and social science Dr Sarah Stein Lubrano reveals the surprising truth about how people think and behave politically From friendship to

community organizing and social infrastructure she explores the actions that actually do change minds In a world where politics keeps getting more irrational dishonest violent and chaotic it s getting much harder to reach people with words alone So people who really care about democracy must ask how can we stop arguing and do the deep work to build stronger foundations for political life and a better world for us all
