Robinette, the Dean of Canadian Lawyers Jack Batten, 1984 John J. Robinette George D. Finlayson, 2003-09-01

John J Robinette Canada's greatest trial lawyer was admired and respected by the bench and his fellow lawyers alike A quiet unassuming man outside the courtroom he was a consummate performer when appearing before a judge and jury Robinette became a household name as the defender of Evelyn Dick who was charged with killing her husband and infant son in Hamilton in 1946 and of Steven Suchan a member of the infamous Boyd Gang He was Canada's pre eminent lawyer from the 1930s to the 1980s showing unparalleled versatility and virtuosity whether acting as counsel in criminal civil or constitutional cases at both the trial and appeal levels This is the story of a great man of the maturing of the legal profession in Canada and of Canada in the twentieth century

Essays in the History of Canadian Law Susan Lewthwaite, Tina Loo, Jim Phillips, 1994-12-15 This fifth volume in the distinguished series on the history of Canadian law turns to the important issues of crime and criminal justice In examining crime and criminal law specifically the volume contributes to the long standing concern of Canadian historians with law order and authority The volume covers criminal justice history at various times in British Columbia Ontario Quebec and the Maritimes It is a study which opens up greater vistas of understanding to all those interested in the interstices of law crime and punishment

McIntyre* W. McConnell,2000-05-04 Using archival resources interviews with contemporaries and legal sources W H McConnell traces McIntyre s personal evolution from defending the Charter as a workable counterpoint to established common law principles to gradual disenchantment with its overuse by many of his colleagues and the lower courts for developing social policy In retrospect McIntyre s reservations have been prophetic the interventionist trend has given rise to considerable criticism of the court by legal professionals the media and the Canadian public He remained however a staunch proponent of freedom of expression and in the *Andrews* case framed the pivotal definition of equality rights in s 15 of the Charter that is still prevalently applied in Canadian courts McConnell is persuasive in connecting McIntyre s restrained approach to Charter jurisprudence especially its relation to governmental legislation with his upbringing in Moose Jaw during the Depression and his early career at the Bar This is an original contribution to our understanding both of an important judge and an important era in Canadian legal history **Law and Society Series** Dale Brawn,2014-01-01 Using the judiciary of Manitoba as a model *Paths to the Bench* examines the political nature of Canada s judicial appointment process and suggests that ability alone seldom determined who went to the bench In fact many of Manitoba s early judges spent little time actually practising law since professional merit was not a criterion for judicial appointments Rather it was relationships with influential mentors and communities that ensured appointments and ultimately propelled careers Brawn offers an in depth analysis of how the paths to the bench of competent and connected and less competent and connected lawyers differed This book is one of the few studies to examine why many of the best and brightest members of the bar either did not want to go to the bench or if they did why they did not get there **Inside the Law** Carol Wilton,1996-12-15 Law firms are important economic institutions in this country they collect hundreds of millions of dollars annually in fees they order the affairs of businesses and of many government agencies and their members include some of the most influential Canadians Some firms have a history stretching back nearly two hundred years and many are over a century old Yet the history of law firms in Canada has remained largely unknown This collection of essays Volume VII in the Osgoode Society s series of *Essays in the History of Canadian Law* is the first focused study of a variety of law firms and how they have evolved

over a century and a half from the golden age of the sole practitioner in the pre industrial era to the recent rise of the mega firm The volume as a whole is an exploration of the impact of economic and social change on law firm culture and organization The introduction by Carol Wilton provides a chronological overview of Canadian law firm evolution and emphasizes the distinctiveness of Canadian law firm history **Crimes, Constables, and Courts** John C. Weaver,1995 Blending narrative and social history in this fascinating study of crime in a Canadian community John Weaver describes both the patterns of crime and the evolution of the Canadian criminal justice system over 150 years **Claire L'Heureux-Dubé** Constance Backhouse,2017-11-06 Both lionized and vilified Claire L Heureux Dub has shaped the Canadian legal landscape and in particular its highest court The second woman appointed to the Supreme Court of Canada and the first from Quebec she was known as the great dissenter on the bench making judgments that were applauded and criticized in turn L Heureux Dub s innovative legal approach was anchored in the social economic and political context of her cases Constance Backhouse employs a similar tactic Rather than focusing exclusively on her high profile cases and jurisprudential legacy she explores the socio political and cultural setting in which L Heureux Dub s career unfolded while also considering her personal life This compelling biography covers aspects of legal history that have never been so fully investigated enhancing our understanding of the judiciary the creation of law the distinctive socio legal environment of Quebec the experiences of women in the legal profession and the inner workings of the top court **Essays in the History of Canadian Law** Osgoode Society,1981 Delves into the evolution of Canadian law firms over the past 150 years from the golden age of the sole practitioner in the pre industrial era to the recent rise of the mega firm After a chronological overview of Canadian law firm development essays explore the impact of economic and social change **Bloody York** David Skene-Melvin,1996-10-09 Thirteen Canadian writers from the late nineteenth century to today find intrigue mystery and terror in the familiar streets and places of Toronto **No Right-of-way** Peter Lewington,1991 **Mind Over Murder** Jack Batten,1997 Now Jack Batten well known for his popular books about the law has set out to shed light on DNA and other pieces of magic that are regularly worked by scientists and their allies in the forensic field both at the scenes of crimes and later in the laboratories The route he takes to investigate each piece of forensic science is by way of a particular Canadian trial and his guides on the route are the detectives the prosecutors and defence attorneys and the scientists who actually worked on the cases *The Canadian forum* ,1984 *Canadian Books in Print* ,1990 *CM* ,1985 *Canadians* ,1984 **Hard Choices** Carolyn Swayze,1987 Biography of a Canadian lawyer judge and politician well known for his work on aboriginal landclaims in Canada and Alaska
