[This Contested Land](#) McKenzie Long, 2022-10-18 One woman's enlightening trek through the natural histories, cultural stories and present perils of thirteen national monuments from Maine to Hawaii now available in paperback. This land is your land. When it comes to national monuments, the sentiment could hardly be more fraught. Gold Butte in Nevada, Organ Mountains Desert Peaks in New Mexico, Katahdin Woods and Waters in Maine, Cascade Siskiyou in Oregon and California, these are among the thirteen natural sites McKenzie Long visits in *This Contested Land*, an eye-opening exploration of the stories these national monuments tell, the passions they stir and the controversies surrounding them today. Starting amid the fragrant sagebrush and red dirt of Bears Ears National Monument on the eve of the Trump Administration's decision to reduce the site by 85 percent, Long climbs sandstone cliffs, is awed by Ancestral Pueblo cliff dwellings and is intrigued by 4,000-year-old petroglyphs. She hikes through remote pink canyons, recently removed from the boundary of Grand Staircase-Escalante, skis to a backcountry hut in Maine to view a truly dark night sky, snorkels in warm Hawaiian waters to plumb the meaning of marine preserves, volunteers near the most contaminated nuclear site in the United States and witnesses firsthand the diverse forms of devotion evoked by the Rio Grande. In essays both contemplative and resonant, *This Contested Land* confronts an unjust past and imagines a collaborative future that bears witness to these regions' enduring Indigenous connections. From hazardous climate change realities to volatile tensions between economic development and environmental conservation, practical and philosophical issues arise as Long seeks the complicated and often overlooked or suppressed stories of these incomparable places. Her journey, mindfully undertaken and movingly described, emphasizes in clear and urgent terms the unique significance of and grave threats to these contested lands.

Endless Endless Adam Clair, 2022-01-18 An inspiring revelatory exploration of the genesis and impact of the fabled Elephant 6 collective and the baffling exodus of its larger than life luminary Neutral Milk Hotel frontman Jeff Mangum Years after its release Neutral Milk Hotel's *In the Aeroplane Over the Sea* remains one of the most beloved and best selling albums in all of indie music hailed as a classic so influential as to be almost synonymous with the ongoing vinyl revival But despite its outsized impact a question looms even larger why did frontman Jeff Mangum just as the record propelled him to the brink of music superstardom choose instead to disappear entirely The mystery has perplexed listeners for decades until now In barely two years Neutral Milk Hotel rose from house show obscurity in Athens Georgia to widespread hype and critical acclaim selling out rock clubs across the country and gracing the tops of numerous year end best of lists But just as his band was reaching the escape velocity necessary to ascend from indie rock success to mainstream superstar Mangum hit the eject button After the 1998 release of *Aeroplane* and a worldwide tour to support it Mangum stopped playing shows releasing new music or even doing interviews He never explained why not even to his friends or colleagues but thanks to both the strength of *Aeroplane* and his vexing decision to walk away from rock stardom Neutral Milk Hotel's impact only grew from there In *Endless Endless* Adam Clair finds the answer to indie rock's biggest mystery which turns out to be much more complicated and fascinating than the myths or popular speculation would have you believe To understand Mangum and Neutral Milk Hotel and *Aeroplane* requires a deep dive into the unconventional inner workings of the mercurial collective from which they emerged the legendary Elephant 6 Recording Company *Endless Endless* details the rise and fall of this radical music scene the lives and relationships of the artists involved and the colossal influence that still radiates from it centered around the collective's accidental figurehead one of the most idolized and misunderstood artists in the world presenting Mangum and his collaborators in vividly human detail and shining a light into the secret world of these extraordinary and aggressively bizarre artists *Endless Endless* offers unprecedented access to this notoriously mysterious collective featuring more than 100 new interviews and dozens of forgotten old ones along with never before seen photos answering questions that have persisted for decades while also provoking new ones In this deeply researched account *Endless Endless* examines not just how the Elephant 6 came to be so much more than the sum of its parts but how community can foster art and how art can build community
