

Rock Recall

Cecil Day Lewis

Rock Recall:

Product Recall Management Sascha Raithel, Setareh Heidari, Jan von Schlieben-Troschke, 2024-11-05 Product recalls affect thousands of products globally each year impacting millions of customers and causing severe consequences for companies For instance Takata's airbag recall cost 25 billion and led to bankruptcy Similarly a viral video showing a Kryptonite bike lock easily broken damaged customer trust significantly Effective recall management is crucial It involves addressing supply chain production legal and customer relationship aspects with marketing playing a key role A well managed recall limits company damage and protects customers while also considering investors regulatory agencies policymakers and the public This book offers guidance on developing a recall strategy communicating safety risks and restoring trust post crisis It provides detailed recommendations for recall management across different phases with insights into consumer goods food and automotive sectors and shows the broader impact of product defects This book is a practical toolkit for managers backed by current research and real world case studies ensuring effective navigation through product recalls

The Rock History Reader Theo Cateforis, 2019-01-15 This eclectic compilation of readings tells the history of rock as it has been received and explained as a social and musical practice throughout its six decade history This third edition includes new readings across the volume with added material on the early origins of rock n roll as well as coverage of recent developments including the changing shape of the music industry in the twenty first century With numerous readings that delve into the often explosive issues surrounding censorship copyright race relations feminism youth subcultures and the meaning of musical value The Rock History Reader continues to appeal to scholars and students from a variety of disciplines New to the third edition Nine additional chapters from a broad range of perspectives Explorations of new media formations industry developments and the intersections of music and labor For the first time a companion website providing users with playlists of music referenced in the book Featuring readings as loud vibrant and colorful as rock n roll itself The Rock History Reader is sure to leave readers informed inspired and perhaps even infuriated but never bored

Decisions United States.
