**The History of Jazz** Stuart A. Kallen,2012-06-22 Readers will learn that music based on jazz beats can be heard all over the world but the roots of the style are distinctly American Jazz grew out of the musical hothouse that was New Orleans Louisiana at the end of the nineteenth century Jazz represents the creative musical side of the United States to people across the globe Jazz personalities such as Louis Armstrong Dizzy Gillespie Wynton Marsalis and now Esperanza Spaulding are heroes to countless jazz fans from Tokyo to Paris to Rio de Janeiro Just as a swinging jazz quartet unites its individual players behind a driving syncopated beat jazz music has proven its ability to bring people together over a shared interest in a universal sound

Paradise Postponed H. Hotson, 2013-03-09 This book provides a uniquely detailed case study of the origins of millenarianism within the vast opera of one of its earliest and most influential Calvinist exponents the Herborn encyclopedist Johann Heinrich Alsted 1588 1638 The young Alsted it emerges looked forward not to the millennium of Apocalypse 20 but to a brief final period of enhanced illumination described in a poorly understood central European tradition of astrological alchemical spiritualist and generally occult prophetic speculation It was the disasters following the Bohemian Revolt of 1618 which forced Alsted to recast these expectations as the more exclusively scriptural expectation of a literal millennium and the material for this revision was found in a protracted dispute over the millennium between senior theologians in Herborn and Heidelberg and a little known work on the conversion of the Jews by one of the figures most probably behind the composition of the Rosicrucian manifestos Based on study of the full range of Alsted s works his diverse sources and widely dispersed manuscript material the result is the first English book on 17th century continental millenarianism and the first monograph in any language exclusively devoted to the origins of the doctrine within mainstream Protestantism *Birmingham*
