Rock All Night:

American International Pictures Rob Craig, 2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company The Cinematography of Roger Corman Pawel Aleksandrowicz, 2016-09-23 Roger Corman is an ambiguous artistic figure On the one hand he is notorious for shooting and producing his films quickly cheaply and with blatant disregard for safety measures which together with his ability to issue a dozen new films every year and his impressive filmography have earned him the titles of shlockmeister and the King of the B s among film journalists On the other hand he became the youngest American director to be given a film retrospective at the prestigious Cin mat que Fran aise in Paris one of his directorial efforts House of Usher was selected for preservation in the National Film Registry by the Library of Congress and the Academy of Motion Picture Arts and Sciences awarded him with an Academy Honorary Award for his rich engendering of films and filmmakers This book investigates this duality and explores whether Corman is indeed a shlockmeister or an artist whose works are worthy of the highest cinema awards The scope of analysis is limited to his directorial efforts only still encompassing 50 features excluding the 400 films he produced The methodology adopted here is based on the auteur theory in its structuralist version by Geoffrey Nowell Smith and Peter Wollen and focuses on three areas of interest work ethic personal elements in the films personal control over and commitment to the production process outside direction themes topics and concerns common for many of the films regardless of the genre and style recurring stylistic motifs and elements in the camerawork editing and framing **Teen Movies** Timothy Shary, 2005 Teen Movies American Youth on Screen is a detailed look at the depiction of teens on film and its impact throughout film s history Timothy Shary looks at the development of the teen movie the rebellion the romance the sex and the horror up to contemporary portrayals of ever changing youth Films studied include Rebel Without a Cause 1955 Splendor in the Grass 1961 Carrie 1976 The Breakfast Club 1985 and American Pie 1999 **Go Cat Go!** Craig Morrison, 1996 Looks at the history of rockabilly music profiling such greats as Elvis Jer Lee Lewis Malcolm Yelvington and Roy Hall **Report on the Migration of Birds in the Spring and Autumn of 1884** Brown, 1885 **Watson's Magazine** , 1906 **The Prodigal Band Trilogy** Deborah Lagarde, 2019-06-21 Take a fictional road trip on a mystical mystery and spiritual tour as a fictitious six member 80s and 90s rock and roll band fashioned after the Beatles rides through occultism and New Age mysticism with their lives of stardom mixed with plenty of tabloid fare sex drugs and rock

and roll The crash that comes afterward including near death experiences for two of the band members leads to a more uplifting spiritual journey along with missions to defeat the Evil after nearly getting sacrificed on a blood laden altar while the forces of Good watch over them This is a three book tale of good vs evil where the band must make their choice The first two books in this complete trilogy were originally self published and printed in 1996 and 1998 while the third book was e published as a PDF in 2018 This three novels in one e book was revised somewhat from the original novels created for the e book market Printed versions may also become available
