Rock Art Research , 2006 *Dreamtime Superhighway* Jo McDonald, 2008-08-01 DREAMTIME SUPERHIGHWAY presents a thorough and original contextualization of the rock art and archaeology of the Sydney Basin By combining excavation results with rock art analysis it demonstrates that a true archaeology of rock art can provide insights into rock art image making in people s social and cultural lives Based on a PhD dissertation this monograph is a significantly revised and updated study which draws forcefully on rich and new data from extensive recent research much of it by McDonald herself McDonald has developed a model that suggests that visual culture such as rock artmaking and its images and forms could be understood as a system of communication as a way of signaling group identifying behaviour For the archaeologist of art the anthropologist of art and those of us who try to think about past worlds this monograph is a must read **The Generation**

of Life Michael A. Susko, 2020-10-15 This work explores the meaning of imagery found on rocks especially from deep caves of the paleolithic era It approaches the problem of interpretation by focusing on a key concept that art and ritual generate life A novel hypothesis is also offered that creativity emerges from a tension between chaotic elements and more formed shapes Past interpretive frames statistical studies and indigenous parallels are summoned to examine these archetypal expressions We invite you to explore indigenous imagery as an adventure that opens up your own spiritual dimension and earliest roots Sacred Darkness Holley Moyes, 2012-09-01 Caves have been used in various ways across human society but despite the persistence within popular culture of the iconic caveman deep caves were never used primarily as habitation sites for early humans Rather in both ancient and contemporary contexts caves have served primarily as ritual spaces In Sacred Darkness contributors use archaeological evidence as well as ethnographic studies of modern ritual practices to envision the cave as place of spiritual and ideological power and a potent venue for ritual practice Covering the ritual use of caves in
