Rockaby And Other Short Pieces:

Rockaby and Other Short Pieces Samuel Beckett, 1981 We find in Beckett's masterful exquisite prose the familiar themes from his earlier works here expressed in the anguished murmurings of the solitary human consciousness

Rockabye and Other Short Pieces Samuel Beckett, 2007-12-01 We find in Beckett's masterful exquisite prose the familiar themes from his earlier works here expressed in the anguished murmurings of the solitary human consciousness **The**

Collected Shorter Plays of Samuel Beckett Samuel Beckett, 2010-08-24 Samuel Beckett the great minimalist master and winner of the 1969 Nobel Prize for Literature has produced some of his most widely praised work for the stage in the form of the shorter play This complete and definitive collection of twenty five plays and playlets includes Beckett's celebrated Krapp's Last Tape Embers Cascando Play Eh Joe Not I and Footfalls as well as his mimes all his radio and television plays his screenplay for Film his adaptation of Robert Pignatelli's The Old Tune and more recent Catastrophe What Where Quad and Night and Dreams Includes All That Fall Act Without Words I Act Without Words II Krapp's Last Tape Rough for Theatre I Rough for Theatre II Embers Rough for Radio I Rough for Radio II Words and Music Cascando Play Film The Old Tune Come and Go Eh Joe Breath Not I That Time Footfalls Ghost Trio but the clouds A Piece of Monologue Rockaby Ohio Impromptu Quad Catastrophe Nacht und Träume What Where *The Collected Shorter Plays* Samuel Beckett, 2010 Collects over twenty short plays published by the Nobel Prize winning playwright Samuel Beckett Includes his mimes radio and television plays screenplay and adaptations of other's works

Damned to Fame: the Life of Samuel Beckett James Knowlson, 2014-10-16 _____ A triumph of scholarship and sympathy one of the great post war biographies Independent A landmark in scholarly criticism Knowlson is the world's largest Beckett scholar His life is right up there with George Painter's Proust and Richard Ellmann's Joyce in sensitivity and fascination Daily Telegraph It is hard to imagine a fuller portrait of the man who gave our age some of the myths by which it lives Evening Standard _____

SHORTLISTED FOR THE WHITBREAD PRIZE _____ Samuel Beckett's long standing friend James Knowlson recreates Beckett's youth in Ireland his studies at Trinity College Dublin in the early 1920s and from there to the Continent where he plunged into the multicultural literary society of late 1920s Paris The biography throws new light on Beckett's stormy relationship with his mother the psychotherapy he received after the death of his father and his crucial relationship with James Joyce There is also material on Beckett's six month visit to Germany as the Nazis tightened their grip The book includes unpublished material on Beckett's personal life after he chose to live in France including his own account of his work for a Resistance cell during the war his escape from the Gestapo and his retreat into hiding Obsessively private Beckett was wholly committed to the work which eventually brought his public fame beginning with the controversial success of *Waiting for Godot* in 1953 and culminating in the award of the Nobel Prize for Literature in 1969 *The New Cambridge Companion to Samuel Beckett* Dirk Van Hulle, 2015-01-12 In the past decade there has been an unprecedented upsurge of

interest in Samuel Beckett's works The New Cambridge Companion to Samuel Beckett offers an accessible and engrossing introduction to a key set of issues animating the field of Beckett studies today This Companion considers Beckett's lasting significance by addressing a host of relevant topics Written by a team of renowned scholars this volume presents a continuum in Beckett studies ranging from theoretical approaches to performance studies from manuscript research to the study of bilingualism intertextuality late modernism history philosophy ethics body and mind The emphasis on burgeoning critical approaches aids the reader's understanding of recent developments in Beckett studies while prompting further exploration assisted by the guide to further reading

Solo! Philippa Keil, 2000-04-01 This collection of 75 solo speeches and performance pieces for actors has been selected from the finest material being written today for theatre in America and England Solo presents dramatic monologues on the cutting edge All selections include acting notes along with the quick and easy guide to the art of auditioning

Beyond Minimalism Enoch Brater, 1990-12-27 Beyond Minimalism explores Beckett's drama of the 70s and 80s examining the ways in which play text and performance merge through the playwright's poetic idiom Beginning with Not I and continuing through Catastrophe and What Where Brater examines the plays not only as texts but also as theater pieces Discussing the technical and aesthetic demands that productions like Footfalls and Rockaby make on actor director and spectator Brater clarifies the essential relationship between Beckett's achievement in the context of the breakdown of genre performance poetry and the electronic intrusion of the recorded voice as a new theatrical convention In the course of his analysis Brater demonstrates how Beckett's late style in the theater both continues and clarifies the dramatic lyricism that is the hallmark of earlier works such as Endgame and Waiting for Godot

Samuel Beckett, W.B. Yeats, and Jack Yeats Gordon S. Armstrong, 1990 In contrast to the many critics who consider W B Yeats a dominant influence on Beckett's drama this study demonstrates that the two are almost diametrically opposed in their theater and that the real bridge to Beckett's art is to be found in the narrative and pictorial creations of the younger Yeats brother Jack

Samuel Beckett--humanistic Perspectives Ohio State University. College of Humanities, 1983

On Drama Michael Goldman, 2025-10-01 The latest book by noted critic and scholar Michael Goldman provides fresh and unexpected insights into the role played by genre in the experience of drama Challenging the view that genre is by definition exclusion and that its policing of boundaries is out of place in the neighborhood of art Michael Goldman suggests that the lens of genre can provide keen insights for our understanding and appreciation of drama For Goldman it is important to consider drama as an experience an ongoing moment to moment process for audiences or readers Everything changes says Goldman when we stop to think of genre as not entirely unlike rhyme or ambiguity features whose primary interest for readers or audiences is as something that happens to us in a poem or play as it happens It is valuable to see that as it operates in drama the instability of the subject of genre has a specific and unique texture one that can offer useful insights into our experience as viewers of and participants in drama In this light discussions of genre can help us to understand what drama as a special

kind of social practice does for and with our lives It is important that we work toward understanding the process of thinking about drama in this light that we understand the power and complexity of drama and Michael Goldman aims to do so in this book Michael Goldman is Professor of English Princeton University He is author of a number of books including *Acting and Action in Shakespearean Tragedy* *Shakespeare and the Energies of Drama* *Ibsen The Dramaturgy of Fear* and *The Actor's Freedom Toward a Theory of Drama* *Language Mysticism* Shira Wolosky, Shira Wolosky Weiss, 1995 *Language Mysticism* explores the place granted to language within metaphysical and theological hierarchies traditional to Western culture Within these hierarchies language represents embodiment division and historical differentiation whereas silence points to an eternal unity beyond linguistic form and limitation But this reflects a deeply embedded ambivalence in the Western tradition toward material and temporal conditions in general The author uses the writings of T S Eliot Samuel Beckett and Paul Celan to show how far reaching and immediate this history of ambivalence remains in its influence and consequences In each of these writers theological traditions inform and situate linguistic imagery and practices albeit in quite different ways The author argues that the stances toward language of these three writers register values not only fundamental to their work but general to our culture Language is the sign of body of history of difference and a negative attitude toward language therefore implies a displacement of value away from concrete historical condition The approach to language of Eliot Beckett and Celan therefore inscribes their struggle to define and locate the values that endow our lives with meaning and the possibility of translating these values into historical reality The Existential and its Exits L. A. C. Dobrez, 2014-01-13 The book fills a significant gap in modern critical studies Hitherto there has been no considered attempt to relate Existentialist thought to contemporary literature and this is precisely what Dr Dobrez achieves taking four leading writers and discussing their work in relation to Husserl Heidegger and Sartre Readers will find this account enlightening in its discussion of Existentialism itself and its application of Existentialist principles in modern literature Thus this book will be of great value to students of both contemporary literature and modern philosophy **Palgrave Advances in Samuel Beckett Studies** L. Oppenheim, 2004-04-30 *Palgrave Advances in Samuel Beckett Studies* explores the evolution of critical approaches to Beckett's writing It will appeal to graduate students and advance undergraduates as well as scholars for it offers both an overview of Beckett studies and investigates current debates within the interdisciplinary critical arena Each of the contributors is an eminent Beckett specialist who has published widely in the field The volume contains an introduction twelve essays and a guide for further reading **Witnessness** Robert Harvey, 2010-10-21 *Witnessness* posits a universal ethics based neither on rational mental structures nor on moral principles but on the extra rational powers of the imagination Harvey pursues this ethics by staging a speculative reading of Samuel Beckett's untranslatable text *Worstward Ho* alongside Dante's *Purgatorio* and Primo Levi's *The Drowned and the Saved* and *If This Be a Man* Many of the thirty concise chapters that compose *Witnessness* are built upon notions whose names e g dimness lessness take inspiration from Beckett's unique and precise

vocabulary Harvey explores the particular experience of the witness as recounted in Dante and Levi for signs of a general common and innate witness like attitude that protects the other and that we see expressed in Beckett's penultimate prose piece Beckett Dans L'histoire International Association for the Study of Irish Literatures. Conference, 2005 Covers English literature French literature and theatre in the 20th century **Like Letters in Running Water** Mary Aswell Doll, 2000-07-01 Like Letters in Running Water explores ways in which fiction prose drama poetry myth fairytale yields transformative insights for educational theory and practice Through a series of intensely original powerful essays drawing on curriculum theory literary analysis psychology and feminist theory and practice Doll seeks to confront a commonly held bias that reading literary fictions is mere entertainment not a learning experience She suggests that fiction has immense teaching power because it connects readers with their alliances within themselves and this connection attends to social outer issues addressed by traditional pedagogies with greater deeper awareness Her elaboration in this book of the concept of *currere* the lived experience of curriculum through literature drama and myth is a major contribution to the field of curriculum theory *Beckett Matters* S.E. Gontarski, 2016-10-27 Representing a profound engagement with the work of Samuel Beckett this volume gathers the very best of Stan Gontarski's Beckett criticism on practical theoretical and critical levels Such a range suggests a multiplicity of approaches to a body of work itself multiple produced by an artist who underwent any number of transformations and reinventions over his long writing career a Many of the essays collected here explore Beckett's debt to his age Beckett very much a product of a culture in transition which change he would help foster But much of Beckett's creative struggle was to find a new way his own way a Most of the essays that comprise this volume detail that struggle toward a way we now call Beckettian *The Politics of Humiliation in the Novels of J.M. Coetzee* Hania A.M. Nashef, 2013-05-13 In this volume Nashef looks at J M Coetzee's concern with universal suffering and the inevitable humiliation of the human being as manifest in his novels Though several theorists have referred to the theme of human degradation in Coetzee's work no detailed study has been made of this area of concern especially with respect to how pervasive it is across Coetzee's literary output to date This study examines what J M Coetzee's novels portray as the circumstances that contribute to the humiliation of the individual namely the abuse of language master and slave interplay aging and senseless waiting and how these conditions can lead to the alienation and marginalization of the individual *For Want of Ambiguity* Ludovica Lumer, Lois Oppenheim, 2019-02-21 Nominated for the 2019 Gradiva Award for Best Book by the National Association for the Advancement of Psychoanalysis NAAP For Want of Ambiguity investigates how the dialogue between psychoanalysis and neuroscience can shed light on the transformational capacity of contemporary art Through neuroscientific and psychoanalytic exploration of the work of Diamante Faraldo Ai Weiwei Ida Barbarigo Xavier Le Roy Bill T Jones Cindy Sherman Francis Bacon Agnes Martin and others For Want of Ambiguity offers a new perspective on how insight is achieved and on how art opens us up to new ways of being

This Engaging Realm of E-book Books: A Thorough Guide Revealing the Pros of Kindle Books: A Realm of Ease and Flexibility Kindle books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of hardcopy books.
