Rockin' Elvis For Easy Guitar:

Rockin' Elvis Elvis Presley, William, Of, 1995-06 15 hits including All Shook Up Blue Suede Shoes Don't Be Cruel Hound Dog Return to Sender and more Before Elvis Larry Birnbaum, 2013 An essential work for rock fans and scholars Before Elvis The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley Unlike other histories of rock Before Elvis offers a far broader and deeper analysis of the influences on rock music Dispelling common misconceptions it examines rock's origins in hokum songs and big band boogies as well as Delta blues detailing the embrace by white artists of African American styles long before rock n roll appeared This unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald Too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences In Before Elvis Birnbaum daringly argues a more complicated history of rock's evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style Before Elvis presents a bold argument about rock's origins and required reading for fans and scholars of rock n roll history **Rock N Roll Gold Rush** Maury Dean, 2003 This monster Rock n Roll survey focuses on the songs and the vibrant personalities who create them for college audiences and the general public Dean published the world's first history of Rock in 1966 Here in his ebullient style he buzzes through piles of musical singles from the whole last half century describing what is fun about each major and minor hit pointing out what elements were exciting or new or significant in the development of musical styles He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music This snappy witty and informative album has universal appeal doubling as a coffee table trivia treasure and a college level popular music history text It includes hundreds of photos chapter questions and an extensive index Reader friendly and informationally complete it covers soft rock heavy metal rhythm blues country rock and classic oldies all with tender loving care for the specialist and casual listener alike Its mini portraits of the artists who move so many hearts and feet the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age The single song focus makes the book unique It's a playlist for R n R professors and the general public written with a collegiate vocabulary tight organization and a respect for all Hearing Elvis for the first time was like busting out of jail Bob Dylan That being said no one is being incited here to bust out of jail or to emulate the quixotic habits of rock stars There's nothing in here to hide from the kids the clergy or grandma Gold Rush can be used as a university or community college text but most people will grab it for the sheer pleasure of reading about

everyone's favorites Great gift for Rock enthusiasts Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond Gold Rush takes thousands of songs spanning three centuries and brings them back uniquely as if they came out just yesterday Gold Rush unites the Anglo American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures As Leonard Maltin's Movie Guide helps you select videos at Blockbuster so Gold Rush is a powerful playlist for your music collection with many new and fascinating photos of favorite stars Gold Rush explains the most important stories behind the songs you picked to be played the songs that went gold from the 1897 Alaska Klondike Gold Rush to the 1 songs of today and beyond **Legends of Rock Guitar** Pete Prown,Harvey P. Newquist,1997 Presents a comprehensive encyclopedia of rock guitar legends examining over three hundred artists beginning in the 1950s and covering a wide range of styles and includes performers such as Chuck Berry Eric Clapton Duane Eddy Buddy Holly Keith Richards and more Dig That Beat! Sheree Homer,2015-05-25 Disc jockey Alan Freed coined the term rock and roll in the 1950s Rooted in rockabilly rhythm and blues country and western gospel and pop the genre was popularized by performers like Elvis Presley Bill Haley Chuck Berry and Jerry Lee Lewis Rock and roll's originators and revivalists continue to entertain crowds at roots music festivals worldwide This book presents stories about performers lives on the road and in the studio along with the stories behind popular songs Informative biographical profiles are provided Artists sharing their experiences include Dale Hawkins Big Jay McNeely Ace Cannon Sleepy LaBeef Billy Swan Robin Luke Rosie Flores and James Intveld Conway Twitty Buck Owens and Janis Martin are also featured **Subject Guide to Books in Print** ,1993 *Дискография* Aleksandr Vladimirovich Isaev,1997 Sound and Vision Simon Frith,Andrew Goodwin,Lawrence Grossberg,2005-12 The first significant collection of new and classic texts on video bringing together some of the leading international cultural and music critics writing today Dead Elvis Greil Marcus,1999 Listening in on public conversation that recreates Elvis after death Marcus tracks Presley's resurrection He grafts together snatches of film music books newspapers photos posters and cartoons and amazes us with what America has been saying as it raises its late king and also what this obsession with dead Elvis says about America itself *Faith, God & Rock 'n' Roll* Mark Joseph,Dave Mustaine,2011-08-01 God Rocks Or at least for an increasing fraction of the global population he does No longer associated with evangelical happy clappers sporting tambourines and sandals these days the Christian message is being delivered by a swelling number of faithful musicians from every genre rock pop R B dance and country Of course the real aim to promote God remains but at least it's not so cringeworthy anymore Elvis Has Left the Building Dylan Jones,2014-08-14 An interesting look at how 1977 marked the explosion of punk alongside this heartbreaking though not altogether surprising loss of a legend USA Today In the late 1970s punk music was setting out to destroy everything Elvis Presley had come to represent But punk couldn't destroy The King himself he had already done that succumbing to his excesses at Graceland on August 16 1977 Ever since Elvis has permeated the world in ways that are bizarre and inexplicable a pop icon while alive he

has become almost a religious icon in death a modern day martyr crucified on the wheel of drugs celebrity culture junk food and sex In *Elvis Has Left the Building* Dylan Jones takes us back to those heady days around the time of his death and the simultaneous rise of punk Evoking the hysteria and devotion of The King s numerous disciples and imitators Jones offers a uniquely insightful commentary on Elvis s life times and outrageous demise Recounting how the artist single handedly changed the course of popular music and culture he also delves deep into the cult of The King and reveals what Elvis s death meant and still means to us today I m not sure punk would have existed without Elvis In fact I m not sure a lot of things would have existed without him Dylan Jones is the right man to ponder such questions Bono A gripping tale of impossible success and terrible waste and lost beauty that veers from Memphis to Las Vegas and all the way to the broken backstreets of London Tony Parsons author of *The Hanging Club*
