Tawdra Kandle,Tamara Kendall,2015-07-05 Every gift has consequences FEARLESS Let s get this out of the way upfront I
can hear minds And yes that s about as much fun as it sounds As long as I can remember I ve been the loner the crazy girl
who answers words that no one has spoken out loud It doesn t help that I m the perennial new kid in town too my family
moves around so much that I m constantly learning how to tune out a fresh set of voices But then we move to King Florida It
doesn t take me long to realize that this town is different King was founded by magic and steeped in mystery and I d be
intrigued if I wasn t worried about surviving Ms Lacusta the science teacher leads some weird exclusive club of girls and she
s trying to recruit me That doesn t sit well with Nell Massler the ultimate mean girl whose extracurricular activities include
blood rituals And mine is the blood she wants next Entangled in a web of first love quirky and secretive townsfolk magic and
blood spells I discover the town s secrets aren t just bizarre they re deadly BREATHLESS I am not having the senior year I
wanted First of all my boyfriend and the love of my life Michael goes off to college leaving me on my own in the mystical and
sometimes scary town of King I think I can take care of myself during my last year here but it turns out there are all kinds of
threats ready to prove me wrong First I m being stalked by a local preacher who suspects I have supernatural gifts He s right
The hot new boy at school is flirting with me like crazy Oh and I m being blackmailed by my chemistry teacher who just might
be a witch I m going to need all of my many talents and a little help from unexpected sources just to keep my head above
water literally RESTLESS Aside from the fact that I can hear other people s thoughts I used to be a fairly boring girl But then
I moved to King Florida and everything in my life went crazy When I agreed to allow Ms Lacusta to help me develop my
powers I had no idea how deep and dark the journey would become Trapped between fascination and fear I end up moving
farther away from my friends and family even from my boyfriend Michael Leading a double life forces me into decisions that
will threaten my sanity and my future and the very lives of those I love ENDLESS After the insanity that was my senior year
in high school my life is back to what passes for normal No witches are trying to kill me No preachers are threatening to
drown me I m away at college with my boyfriend and I m learning to control my powers Everything is finally perfect until it
isn t When my new part time job leads to more than I bargained for I m thrown into a deadly fight against forces of evil that I
didn t even know existed Mastering my extraordinary gifts and drawing on the strength of an endless love may be the only
weapons that can guarantee my happily ever after Save Tomorrow is a series of paranormal romances that begins in the
small town of King Florida winds through the Serendipity and Recipe for Death books and finally culminates in Age of
Aquarius the inevitable showdown that ties all the characters together in a fight to stop the ultimate evil
