## Rocky For God:

God and Necessity Brian Leftow, 2012-09-06 Brian Leftow offers a theory of the possible and the necessary in which God plays the chief role and a new sort of argument for God's existence. It has become usual to say that a proposition is possible just in case it is true in some possible world roughly some complete history a universe might have and necessary just if it is true in all. Thus much discussion of possibility and necessity since the 1960s has focussed on the nature and existence or not of possible worlds. God and Necessity holds that there are no such things nor any sort of abstract entity. It assigns the metaphysical work such items usually do to God and events in God's mind and reduces broadly logical modalities to causal modalities replacing possible worlds in the semantics of modal logic with God and His mental events. Leftow argues that theists are committed to theist modal theories and that the merits of a theist modal theory provide an argument for God's existence. Historically almost all theist modal theories base all necessary truth on God's nature. Leftow disagrees; he argues that necessary truths about possible creatures and kinds of creatures are due ultimately to God's unconstrained imagination and choice. On his theory it is in no sense part of the nature of God that normal zebras have stripes if that is a necessary truth. Striped zebras are simply things God thought up and they have the nature they do simply because that is how God thought of them. Thus Leftow's essay in metaphysics takes a half step toward Descartes' view of modal truth and presents a compelling theist theory of necessity and possibility. *A Good Ending* David Sparks, 2014-05-09 Wow that was a good funeral.

**A Path Called Compelling** K. Bradley Watson, 2023-04-12 While hiking in 2010 an ill advised off trail climb left debut author K. Bradley Watson dangling precariously over the edge of a cliff. Narrowly escaping disaster, Watson then found himself lost in the woods bushwhacking for hours before he found his way out of a dense canyon forest. The haphazard hiking moment became an epiphany for him underscoring the importance of following trails. As in hiking so it is in life and faith to find our way we need the direction of a path to guide us. In *A Path Called Compelling* Watson reimagines the Christian faith as the Jesus Path where three key events from Jesus's life: birth, baptism, temptations are revealed to be more than events to believe in but a path meant to be entered, travelled and lived. Acting as an expedition guide, raconteur and pastor, Watson weaves masterful storytelling with thoughtful reflections on Scripture that will have readers chuckling to themselves in one

moment while readying themselves to travel the Jesus Path in the next Fresh and urgent the book invites readers to rediscover faith as they walk and explore A Path Called Compelling      **God's Psychology** M. R. Bawa Muhaiyaddeen,2007

### **Job 2.0**

Del Staecker, 2019-04-16 God and Lucifer are at it again More than three millennia after their first contest the creator of the Universe and his highest errant minion are struggling once again over the fate of a single soul For this battle the center of their attention is not God's most favored servant Rather it is an everyday person What could this rematch mean for human kind when a nobody is in Lucifer's crosshairs More importantly what does it mean for you *JOB 2.0* is an updated retelling of *JOB* the oldest book in the Bible It takes place in modern times using everyday language and ordinary life situations Lucifer challenges God to another test of one of God's faithful Lucifer chooses Jake Jacob Osborne Brown Junior or *JOB II* who loses everything in the course of the challenge To rid himself of his old life and the values it reflected Jake has a yard sale during which his neighbors and friends stop by to provide their insights into why his life fell apart Through seven conversations and interjections from God and Lucifer the characters share insights into the nature of God the definition of evil an explanation of sin the role of choice in one's life the recognition of individual responsibility the sovereignty of God the importance of faith the power of prayer the comfort of faith and the search for spiritual truth In the last conversation Jake has the opportunity to ask God all the questions he wants answered God provides the understanding Jake seeks explaining the relationship between God and humans our purpose the nature of love the importance of repentance and finally re-unification with Himself *JOB 2.0* explains our relationship with God in a truly humorous manner yet is not preachy Instead it encourages self-examination and rigorous thought while being utterly entertaining It is perfect for young adults as well as mature readers it is appropriate for unchurched as well as church-

populations it is perfect for those seeking meaning in their lives as well as those who have defined their spiritual life It is perfect for gift giving anytime but especially for coming of age and other life stage moments as well as during traditional gift giving holidays One reader described it as Funny yet deep and serious The relationship between God Job and Lucifer are pure imagination and done so well Another reader said I love how it manages to offer fresh illumination with Lucifer challenging God and Logic in every conceivable way until we are left to get to the heart of IT ALL This is great and a pleasure to read Who Needs God Harold Kushner,2002 Full of the ideas on which Kushner has based his own life Who Needs God will help readers bring depth and order to their lives through spirituality It is a book for anyone who has ever stepped back and thought there must be more to life than this **Elated!** Andrew DiNicola,2025-07-10 God s goodness love and mercy have been shared with the world in the person of Jesus Christ the Son of God who is God Jesus walked the earth to be God among us and to provide direct access to God and to eternal life Jesus offered the world the truth He said I am the truth John 14 6 and He also said I am the light of the world If you follow me you won t have to walk in darkness because you will have the light that leads to life John 8 12 The life He was referring to is eternal life never ending life with God as one of God s children Jesus Christ is the most important person who has ever walked the earth His life sits at the center of all human history and shines as a beacon to all who want to know the meaning of life and the true joy of being alive on earth This is the good news of Jesus Christ that a person can have eternal life by believing in Him as the one sent by God to save mankind from sin However the truth of Jesus Christ s goodness love and mercy is marred by mankind s response to that truth by mankind s disobedience self centeredness and wickedness God walked among us as Jesus Christ and showed us His love and provided eternal life and this truth should have taken over the entire world by now but it hasn t and this is a great mystery This book delivers the truth that is the person of Jesus Christ It gives Jesus the final word regarding the mystery and meaning of human life Hopefully this book will help us to live in the truth of His final word by helping people see the choice that should dictate how we can live our lives and how we can build a better world This book offers the implied solution to all man s conflicts and troubles It does this by considering the verdict of Jesus Christ who says And the judgment is based on this fact God s light came into the world but people loved the darkness more than the light for their actions were evil John 3 19 As such may God have mercy on us all *Hidden Babylon and God's Last Warning* Mark Davidson,2023-05-30 Who is Babylon the Great in the book of Revelation Perhaps you ve read God s warning to Come out of her my people and asked yourself if that warning applied to you Mark Davidson approaches this question from a unique angle He makes the scriptural case that Babylon the Great is the exact opposite of the Bride Just as those who make up the Bride follow Christ those who make up Babylon the Great follow their own idols and desires The implication is that Babylon the Great comprises the entire world of people who do not follow Christ nor make Christ the highest love of their lives Babylon the Great encompassing the whole world is why Revelation 18 24 says all the blood of those slain on the earth is found in her Therefore God s call in Revelation
