Rodens Corner:

Roden's Corner Henry Seton Merriman, 1898 Roden's Corner Henry Seton Merriman, 2019-12-11 In *Roden's Corner* Henry Seton Merriman weaves a compelling narrative that intricately examines themes of love, friendship, and moral dilemmas against the backdrop of English society at the turn of the 20th century. The story is characterized by Merriman's deft use of dialogue and vivid characterizations capturing the complexities of human emotions and relationships. Set in a rural estate, the novel showcases the tension between social class and personal aspirations, expertly navigating the conventions of the time while infusing a sense of realism that engages the reader's empathy and intellect. Henry Seton Merriman, a contemporary of the Edwardian literary scene, drew upon his diverse background as a traveler, journalist, and keen observer of human behavior to craft this poignant tale. His experiences in the British colonial territories and deep understanding of social dynamics inform the characters' struggles, representing a microcosm of the wider societal changes of his era. Merriman's work often reflects a juxtaposition of personal desires and societal expectations, a theme that resonates throughout *Roden's Corner*. This novel is an essential read for anyone interested in classic literature that thoughtfully critiques human relationships within a specific historical context. Merriman's insightful narrative and rich character development make this book a rewarding experience for both scholars and casual readers alike, illuminating the intricate dance between love and duty in a rapidly changing world.

Roden's Corner Hugh Stowell Scott, 1909 **The Bookman**, 1899 , **The Velvet Glove** Henry Seton Merriman, 2019-12-11 In *The Velvet Glove*, Henry Seton Merriman masterfully weaves a tale of complex morality and psychological intrigue set in the vibrant backdrop of Victorian England. The novel explores themes of love, deception, and societal norms through the lives of its multifaceted characters, particularly focusing on the enigmatic hero Anton Hohlen. Merriman's literary style, characterized by rich imagery and a meticulous attention to character development, immerses readers in a world replete with tension and moral ambiguity. His use of dialogue is particularly noteworthy, capturing the nuances of the era's social interactions while propelling the narrative forward in unexpected directions. Merriman, a pen name for the British author and journalist Hugh Stowell Scott, was known for his keen insights into human relationships and society. His own experiences from a privileged upbringing to a life that traversed various social strata informed his writing and imbued it with authenticity. The journalist's affinity for storytelling and his keen observational skills of human behavior shine through in this work, making *The Velvet Glove* a salient reflection of the contradictions and intricacies of human emotions. This novel is highly recommended for readers who appreciate richly layered characters and intricate plots that challenge conventional moral perspectives. Merriman's ability to lure readers into a dissection of ethical dilemmas makes *The Velvet Glove* not just a captivating read but a profound exploration of the human experience, encouraging readers to reflect on the delicate balance between morality and desire.

Harper's New Monthly Magazine, 1897 **Munsey's Magazine for ...**, 1900 The Red Axe Samuel Rutherford Crockett, 1899 Well do I Hugo Gottfried

remember the night of snow and moonlight when first they brought the Little Playmate home I had been sleeping a sturdy well grown fellow I ten years or so as to my age in a stomacher of blanket and a bed gown my mother had made me before she died at the beginning of the cold weather Suddenly something awoke me out of my sleep So all in the sharp chill of the night I got out of my bed sitting on the edge with my legs dangling and looked curiously at the bright streams of moonlight which crossed the wooden floor of my garret I thought if only I could swim straight up one of them as the motes did in the sunshine I should be sure to come in time to the place where my mother was the place where all the pretty white things came from the sunshine the moonshine the starshine and the snow Come down and be killed foul brood of the Red Axe the children cried And with that they ran as near as they dared and spat on the wall of our house or at least on the little wooden panel which opened inward in the great trebly spiked iron door of the Duke s courtyard The brass bottle, by F. Anstey Thomas
