Despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained within its volumes. It is especially strong in its biographical entries. Who Killed Buster? Edward Bufala, 2009-01-23 If you are reading this now you have the book I have written in your hands. If you choose to read this book you will actually be reading two stories both of which are true. Remember that old cliché that the truth is sometimes stranger than fiction. Well, this just happens to be stranger than fiction. You can't make this stuff up. Part one of my story is about Buster's life. And it was a rough start almost from day one which was November 2, 1942. It was as if he was angry from his very first day on this earth. Starting with his eviction from 1st grade to his unsuccessful one-day attendance at a Catholic school to his one-year stay at Philadelphia Children's Hospital for Rheumatic Fever which left him with heart damage. I'd say that was a rough start wouldn't you? Some may have described Buster as an angry troubled young boy. That couldn't be farther from the truth. I decided later on that Buster wasn't angry at all. He was just always trying to prove that he could be anything that he wanted to be. The fact was that he knew what he wanted to be at a very young age. He knew how he planned to get there and he was determined to achieve his goals at any cost and no one was going to stop him. I talk about Buster's family and friends and how they may have influenced or had an impact on his life decisions which ultimately led to his untimely death on October 8th, 1976. Part two of my book is the bizarre part of his story. If you don't find part one interesting enough I suggest that you skip to part two. I guarantee you'll find it more interesting. There are several rumors as to why someone thought Buster had to die. We just don't know which is true or if there could be another reason that we don't know about. His young widowed wife Carol has spun many tales over the past years and truthfully we don't know what is true and what is a product of her imagination. She has told us about who the killers are and how the killers themselves end up murdered. She tells us how crooked the Las Vegas detectives investigating the murder are and how they try to implicate her own family. This goes on for over 30 years and we still don't know the truth. After reading this story you can decide for yourself what is true and what is not if you choose to. The problem is unless you were there you will have the same problem that I have to this day. I don't know why he had to die and I don't know who did it. *History of New London, Connecticut* Frances Manwaring Caulkins, 1895. *History of New London Connecticut From the First Survey of the Coast in 1612 To 1860* by Cecelia Griswold. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
