to conduct a study on Abydos a deeply forested wilderness planet of little note whose only evidence of civilization is a single enclave small rough dingy Company Station a fueling station occasionally utilized by star freighters Within the forest some days from Company Station are the Pons a group of small simian type organisms that seem near the crossroads between animal and rational creature between nature and culture They would appear to constitute an ideal object of study with respect to the origins and foundations of civilization How it came about so to speak that something once emerged from the lair or cave that was so radically different What lies at the beginning The results of the study have already been politically prescribed on Home World that the Pons are to shed light on humanity that it is in its original and unspoiled nature polite sweet kind deferent diffident social noncompetitive and innocent Both Rodriguez and Brenner have a trait in common however which may explain why they have been sent exiled in a sense to such an out of the way locale Both seek the truth They enter the forest *Mercenaries of Gor* John Norman,2014-04-01 Tarl Cabot is caught up in intrigues and rivalries on the planet of Gor in this science fantasy adventure On Gor there are numerous mercenary companies some larger some smaller whose services may be purchased or bid upon for given periods of time The allegiance of these companies is to their pay and their captains The forces of Cos and Tyros powerful maritime ubarates and their allies have now beached upon the mainland and are utilizing the city of Torcodino as a repository for supplies in preparation to march on a nigh undefended and unprepared Ar Should Ar fall the disinterested tolerances and neutralities and even the balance of power long sustained between Ar and the great maritime ubarates things that made the existence of the independent companies possible will vanish a development threatening the very existence of the independent companies But when Cabot arrives in Ar it is a city rife with doubt dissension and treason To whom shall the letters be delivered and whom can he trust Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire *Mercenaries of Gor* is the 21st book in the Gorean Saga but you may enjoy reading the series in any order *British Paperbacks in Print* ,1985
