Back in the swirl of society, she quickly warms to the attentions of an ardent young Frenchman. Until a chance encounter with Baxter, her estranged husband, leaves her as confused as ever about her heart's true longings. Baxter, the Marquess of Sedgely, was given to dark moods and an uncertain temper that doomed his marriage. Finding relief in travel, he spent five years gallivanting the Continent and has now returned to London with a comely young mistress and a dangerous secret. A cavalier about his safety, he discovers a far greater concern for just one look at Emily: a realization that while his life may be in danger, it is his heart that faces a more immediate peril. When Emily's young French suitor arouses suspicions that he may not be all that he appears, and a unknown assailant makes several attempts on Baxter's life, the two are driven to protect each other and surrender to a passionate reawakening, and neither will rest until they are safely in the arms of the only person they've ever loved.
