Carrington Picasso Dora Maar Man Ray Ady Fidelin and more This facsimile of Lee and Roland's photograph albums shows their summer holiday together as portrayed in the 2024 feature film LEE and demonstrates the freedom and friendship of these artists as World War Two looms on the horizon Lee Miller's Surrealist Eye Lynn Hilditch, 2022-11-14 American born artist Lee Miller 1907-1977 has been increasingly championed by scholars and curators for her Surrealism inspired photographs Her captivating images of Paris in the late 1920s and early 1930s her dreamlike portraits of desert landscapes and sexually suggestive architecture taken in Egypt in the mid 1930s and her witty yet often disturbing photographs of the Second World War and its aftermath have been widely discussed However while popular interest in Miller's colourful life and photographic work has been rapidly growing during the past forty years her true worth as a prominent Surrealist artist has been somewhat overlooked This new collection of essays addresses this issue revalidating Lee Miller's Surrealist position not simply as a muse friend and collaborator with the Surrealists but as one of the twentieth century's most important and influential female Surrealist artists **Lee Miller, Roland Penrose** Katherine Slusher, 2007 This joint biography tells the story of how a fashion model turned photographer and an English Quaker turned Surrealist painter and art collector influenced modern art with their vision and passion As they inspired each other's careers and established their home as a meeting place for the exchange of ideas among artists such as Pablo Picasso Man Ray Max Ernst Paul Eluard Joan Miro and Saul Steinberg Miller and Penrose created a life together that was in itself a work of art In the book concise accounts of their lives are followed by comparisons of their works which demonstrate their symbiotic relationship The range of art reproduced in the book photographs sketches paintings and collages offers a kaleidoscopic sampling of these two important oeuvres and an exquisite portrayal of a unique and uniquely productive partnership Amazon
