## Introduction

- The current assignment looks into the history of Pakistan in relation to the role played by the military in it. It discusses the ambitious generals' psyche, their arrogance and a smug belief in their ability to do things better than civilians. They took it upon themselves to 'sort out' the mess created by politicians and become the nation's 'saviours'. It is divided into sections roughly corresponding to military eras in chronological order - how an image-building process took place and from the small but fully disciplined elite of the colonial era
