Roles and Responsibilities of Libraries in Increasing Consumer Health Literacy and Reducing Health Disparities Beth St. Jean, Gagan Jindal, Yuting Liao, Paul T. Jaeger, 2020-11-30 This volume brings together librarians LIS students educators and researchers to discuss the many ways that information professionals and libraries serve as agents of securing health information justice

Whole Person Librarianship Sara K. Zettervall, Mary C. Nienow, 2019-08-14 Whole Person Librarianship guides librarians through the practical process of facilitating connections among libraries social workers and social services explains why those connections are important and puts them in the context of a national movement Collaboration between libraries and social workers is an exploding trend that will continue to be relevant to the future of public and academic libraries Whole Person Librarianship incorporates practical examples with insights from librarians and social workers The result is a new vision of library services The authors provide multiple examples of how public and academic librarians are connecting their patrons with social services They explore skills and techniques librarians can learn from social workers such as how to set healthy boundaries and work with patrons experiencing homelessness they also offer ideas for how librarians can self educate on these topics The book additionally provides insights for social work partners on how they can benefit from working with librarians While librarians and social workers share social justice motivations their methods are complementary and yet still distinct librarians do not have to become social workers Librarian readers will come away with many practical ideas for collaboration as well as the ability to explain why collaboration with social workers is important for the future of librarianship

Creating a Person-Centered Library Elizabeth A. Wahler, Sarah C. Johnson, 2023-12-28 Creating a Person Centered Library provides a comprehensive overview of various services programs and collaborations to help libraries serve high needs patrons as well as strategies for supporting staff working with these individuals While public libraries are struggling to address growing numbers of high needs patrons experiencing homelessness food insecurity mental health problems substance abuse and poverty related needs this book will help librarians build or contribute to library services that will best address patrons psychosocial needs The authors experienced in both library and social work begin by providing an overview of patrons psychosocial needs structural and societal reasons for the shift in these needs and how these changes impact libraries and library staff Chapters focus on best practices for libraries providing person centered services and share lessons learned including information about special considerations for certain patron populations that might be served by individual libraries The book concludes with information about how library organizations can support public library staff Librarians and library students who are concerned about both patrons and library staff will find the practical advice in this book invaluable

Communication in Social Work Peter R. Day, 2014-05-17 Communication in Social Work focuses on the role of communication in social work This book discusses aspects of communication in the helping process and illustrates where information and advice on their own would not have

been helpful to the client Comprised of seven chapters this book begins with an overview of the nature of communication and explains why a study of the communication process may help in dealing with serious problems of the environment and human relations Attention then turns to communication processes in social work with emphasis on the role of non verbal behavior in the interaction between social worker and client along with the factors that influence communication between them The chapters that follow focus on social factors in communication considering the sociological view of social work as a mechanism of social control as well as the importance of communication in the helping process This book concludes by explaining how social agency contributes to the nature of the social worker s activities touching on topics such as problems of cooperation and coordination in social welfare This text will be of interest to professionals and policymakers involved in social work

The Interpersonal Process in Generic Social Work Ron Baker,1976 Textbook

Service User Involvement in Social Work Education Hugh McLaughlin,Joe Duffy,Brendan McKeever,June Sadd,2019-10-23 In 2006 Social Work Education produced the first special edition vol 25 no 4 on service user and carer involvement in social work education with all of the articles coming from the United Kingdom In 2015 a mixed group of service users and social work academics wondered how and if the field had moved on since 2006 This publication confirms that it has Since 2006 service user and carer involvement in social work education has become embedded internationally this book contains contributions from Australia Israel Italy Norway Slovenia the Republic of Ireland and Sweden as well as all four nations of the United Kingdom Many of the contributions are jointly written with service users and carers highlighting the innovative practices which challenge social work academics students social workers and managers to think how we can all benefit from learning with and from service users and carers This book ably demonstrates that service users and carers can be effectively involved in social work curriculum planning delivery assessment and management This is not to say that these issues are not without their tension challenges or struggles but working with these helps to ensure that the social workers and managers of the future can practice more effectively meeting service user and carer priorities and needs The chapters in this book were originally published as a double special issue of Social Work Education
