

95<sup>TH</sup> ANNIVERSARY  
1926-2021

*Route 66 runs from the shores of Lake Michigan in Chicago to the Pacific Ocean at Santa Monica, California. It was built under several Federal Aid Highway Acts and was one of the largest public works projects to take place in the U. S. Route 66 helped create a distribution of America's population from the areas affected most by the Great Depression to new areas in the west. From 1945-1965 many unique businesses opened along the route to service the increased travel prompted by the post war economic boom. Motels, restaurants, and novelty shops created miles of neon signs that marked the way of Route 66.*
