You have the ability to rewrite the script of your world. You can be whatever you desire to be and have whatever you desire to have. We all get caught up in our stories. Most of us think we are our stories. It's when those stories take on a life of their own and that life isn't the one we want that things start to not look good around us. Everything begins with a decision: decide now to be in charge of your own perception of reality. So with that being said, let's get started on a journey of self-discovery and mind renewal. The first step to changing your world is by renewing your mind. Are you ready? Get Set Let's Go.

Just Say The Words Dr. William H. Goddard, 2009-08-29 This book *Just Say The Words* is the reflection of the author's conviction that every spoken or written word is significant. He states that the old saying "One picture is worth a thousand words" is true, but only if you know the thousand words. The author is engaging in a process he calls transmission, by which he indicates that what he has written is being sent and what is read is received. He attempts to use picture words in place of abstract expressions. From the words written in the Bible to words written by prophets, playwrights, and poets, the author reflects on the dynamic potential and powerful purpose of words. He states that Jesus the Christ is the master communicator. Jesus' words are life-giving and life-changing. In Jesus, Word and Deed go together. Whatever Jesus says, He does. The author shows how Attitude leads to Behavior, which leads to Consequence. He helps us look at the importance of and the difference between
