Scaling Up School Reform:

Scale-Up in Education Barbara L. Schneider, Sarah-Kathryn McDonald, 2007 Scale Up in Education Volume 1 Ideas in Principle examines the challenges of scaling up from a multidisciplinary perspective It brings together contributions from disciplines that routinely take promising innovations to scale including medicine business engineering computing and education Together the contributors explore appropriate methods for estimating the effects of innovations in larger more diverse settings and provide theories and models to guide the design of innovations most likely to remain viable at large scales Specially commissioned commentaries also discuss the analytical requirements and theoretical possibilities of a program of educational research on scale up built upon these foundations This volume is ideally suited for researchers policymakers and graduate students charged with determining the effectiveness of educational interventions With its insights into the conceptual and methodological prerequisites for obtaining rigorous actionable evidence of intervention effects the volume provides reading for program evaluation courses in schools of education and public policy *Scale-Up in Education* Barbara Schneider, Sarah-Kathryn McDonald, 2006-12-28 Scale Up in Education Volume 2 Issues in Practice explores the challenges of implementing and assessing educational interventions in varied classroom contexts Included are reflections on the challenges of designing studies for improving the instructional core of schools guidelines for establishing evidence of interventions impacts across a wide range of settings and an assessment of national efforts to bring reform to scale in high poverty schools This volume also includes findings and insights from several federally funded research projects charged with bringing conceptual and analytic rigor to studies of successful scale up All of the chapters address the challenges of conducting scientific research in schools and provide insights for obtaining the support of teachers and school administrators The result is a highly readable volume ideally suited for educators interested in the issues that inform intervention research researchers concerned with designing practical studies that are methodologically sound and policymakers engaged in evidence based school reform Perspectives on Scaling Up School Reform Robert E. Blum, United States. Office of Educational Research and Improvement, Northwest Regional Educational Laboratory, 1997 *Extending Educational Reform* Amanda Datnow, Lea Hubbard, Hugh Mehan, 2005-11-02 In an effort to improve student achievement thousands of US schools have adopted school reform models devised externally by universities and other organizations Such models have been successful in improving individual schools or groups of schools but what happens when educational reform attempts to extend from one school to many Through qualitative data from several studies this book explores what happens when school reform goes to scale Topics covered include why and how schools are adopting reforms the influence of the local context and wider constraints on the implementation of reform teachers and principals as change agents in schools the evolution of reform design teams the implementation sustainability and expiration of reform and its impact on educational change Each chapter concludes with guidelines for policy and practice This book will be of interest to educational leaders and staff

developers educational researchers and policy makers in the US and internationally **Leadership Lessons from Comprehensive School Reforms** Joseph Murphy, Amanda Datnow, 2003 Leadership Lessons From Comprehensive School Reform addresses a topic that has received far too little attention in the comprehensive school reform movement the role of school and district leaders in the reform process This volume shows how much we've learned about how leaders shape comprehensive reform and how the reform process must shape leadership Robert Slavin Co Director Center for Research on the Education of Students Placed at Risk Johns Hopkins University This volume provides the most thorough balanced and informative source available on comprehensive school reform In addition to insights regarding implementation of many of the most prominent CSR models the book is a primer on distributed leadership providing perspectives on the interplay of principals teacher leaders central office administrators and model developers engaged in school and district reform James Lytle Superintendent Trenton New Jersey Public Schools This book offers well grounded insights about the leadership practices of educators involved in the implementation of Comprehensive School Reform models Leaders and leadership scholars will find it a rewarding read I recommend it highly Kenneth Leithwood Ontario Institute for Studies in Education Ontario Canada Discover what we've learned about educational leadership from comprehensive school reforms models straight from the experts and insiders Comprehensive School Reform CSR is proving to be one of the most promising avenues for improving student achievement The authors have found that leadership is frequently acknowledged to be a prime factor in the successful implementation of comprehensive school reform Murphy and Datnow have gathered together a group of CSR insiders and researchers to examine the issue of leadership in CSR for the first time Contributors and CSR models include Expeditionary Learning Schools Modern Red Schoolhouse Co Nect Success for All New American Schools Chicago Annenberg Challenge Bay Area School Reform Collaborative Accelerated Schools Coalition of Essential Schools Comer School Development Process **Expanding the Reach of Education Reforms: Perspectives from Leaders in the Scale-Up of Educational Interventions** Thomas K. Glennan, Susan J. Bodilly, Jolene Galegher, Kerri A. Kerr, 2000-10-28 How does one spread a successful educational reform The essays here recount the authors experiences with the scale up process Among their lessons are the importance of building the capacity to implement and sustain the reforms adjusting for local culture and policy ensuring quality control providing the necessary infrastructure and fostering a sense of ownership The process is iterative and complex and requires cooperation among many actors who must ensure that the results align with goals Creating and Sustaining Arts-Based School Reform George W. Noblit, H. Dickson Corbett, Bruce L. Wilson, Monica B. McKinney, 2009-01-13 This comprehensive longitudinal analysis of arts in education initiatives based on the A School Program discusses the political fiscal and curricular implications inherent in taking the arts seriously and offers a model for implementation and evaluation that can be widely adapted in other schools and school districts **Scaling-up Higher Order Thinking** Anat Zohar, 2023-05-30 This open access book addresses the evasive problem of why truly effective

educational innovation on a wide scale is so difficult to achieve and what leaders may do about this Examining the case of system wide reform processes centering on teaching a thinking rich curriculum it discusses general issues pertaining to implementing deep large scale changes in the core of learning and instruction The book emphasizes challenges related to professional development assessment achievement gaps and the tension between knowledge and skills in 21st century curricula It summarizes insights the author has gained from approximately 25 years of engaging with these topics both as an academic and as a practitioner who led a national change process With a Forward by David Perkins Large Scale School Reform and Social Capital Building Ian R. Haslam, Myint Swe Khine, Issa M. Saleh, 2013-06-26 This book introduces and explores the nature of large scale reform and offers a fresh insight into the importance of social capital and professional development leadership for teachers and school management It synthesizes research on the role of the professional development leader and the importance of social capital in schools and examines its potential to impact large scale system wide reform projects The text presents a range of international examples and theories from renowned researchers and educationists which illustrate the challenge of raising the prominence of education social capital in schools Considering crucial research that informs effective adult learning interventions underlying themes supporting constructivist and transformative interventions are identified and woven into the narrative Factors and variables needed to encourage and implement initiatives are examined and each section is accompanied by case studies from around the world The book is split into five sections and twelve parts which include The Lesson of Large Scale Reform for Leadership Development Assessment of Wide Scale Educational Reform Initiatives Developing Social Capital through National Education Reform System Improvement through Professional Learning Communities Large Scale School Reform and Social Capital Building will be of interest to policy makers and system reform leaders along with researchers and postgraduate students with a focus on continuous professional development educational reform and school leadership **Scaling Educational Innovations** Chee-Kit Looi, Laik Woon Teh, 2015-07-09 This volume stimulates critical discussions of the different variants of implementation translation and scaling research approaches It presents an integrated collection of different implementation and scaling studies that analyse the different facets of co design learning design curriculum development technology development professional development and programme implementation It also provides critical reflections on their impact and efficacies on transforming practices informing policy making and theory derivation and improvement The chapters in this volume will provide readers a deeper understanding of scaling of educational innovations in diverse socio cultural contexts
